2.	Representations
2-A	Responsible Authorities
Responsible Authority:	Licensing Authority
Representative:	Karyn Abbott
Received:	5 April 2023

Dear Sirs

I write in relation to the application submitted for a new premises licence for 33 Haymarket, London.

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

Late Night Refreshment

Monday to Sunday 23:00 to 01:00

Opening Hours to Public

Monday to Sunday 11:00 to 01:30

The premises is located within the West End Cumulative Impact Area and as such various policy points must be considered, namely CIP1, HSR1 and FFP1.

At present, the operating hours applied for Late Night refreshment currently fall outside of Westminster's core hours under Policy HRS1. The Licensing Authority encourage that the applicant reduces the hours to be within Westminster's Core hours.

6. Pubs and bars, Fast Food and Music and Dance venues

Monday to Thursday: 10am to 11.30pm.

Friday and Saturday: 10am to Midnight.

Sunday: Midday to 10.30pm.

Sundays immediately prior to a bank holiday: Midday to Midnight.

The Licensing Authority note that the applicant has proposed that the operation of the premises is a noodle restaurant and takeaway where the late night refreshment is on a takeaway basis only. Due to the nature of the premises this application falls within Westminster's FFP1 (b, c, d) Policy that states.

B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:

1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, and/or,
2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises.

- C. The applications referred to in Clause B1 and B2 will generally be granted subject to:
1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
 2. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.
 3. The application and operation of the venue continuing to meet the definition of a Fast Food Premises in Clause D.
- D. For the purposes of this policy a Fast Food Premises is defined as:
1. A premises that provides late night refreshment, either by way of fast food over a counter, via a self-seating basis or take away for immediate consumption.
 2. Food and drink are:
 - a. Available on the premises for self-selection.
 - b. Prepared on the premises.
 - c. Cooked or produced off the premises but brought to that premises in advance of its sale to customers.
 3. The food and drink are provided in pre-sealed or open disposable packaging which is intended for immediate consumption.
 4. A fast-food premises can provide a delivery service as part of its operation, however that service must be ancillary to the main function of the premises as defined within sub-clauses D,1 to D,3 above.

The Licensing Authority has concerns regarding this premises and encourages the applicant to provide further submissions on how this will be operated and controlled to have no adverse impact on the cumulative impact area.

Paragraph F56 states; Fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance and further congestion in the area. Although premises which serve cold food and drink are not subject to licensing and may stay open all night, they are not so attractive to people who have been drinking as those providing hot food and drink. The council considers that the addition of hot fast food and hot drink adds to the attractiveness of premises to people who have been drinking and who are more likely to be involved in anti-social behaviour.

Paragraph F59 goes on to say. Applications within the West End Cumulative Impact Zone, where there is a presumption to refuse under this policy will be expected to demonstrate why their application should be permitted as an exception to this policy.

The Licensing Authority may call on the council's city inspectors as a witness as the premises has been found on two occasions to be trading without a licence. An email to the licence holder from Ms Stefania Rumble, City Inspector has been attached as appendix A. She has highlighted that on two occasions the premises was open beyond 23:00 and was selling late night refreshment.

The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

Therefore, it is a decision for the Licensing Sub-Committee to determine whether the applicant has demonstrated any exceptional circumstances that would allow to depart from policy.

Please accept this as a formal representation.

Wok and Fire, 33 Haymarket, London, SW1Y

I refer to the application for a new Premises Licence for the above premises. **The premises is situated in the West End Cumulative Impact Zone.**

This representation is based on the Operating Schedule and the submitted plans, for the ground floor (drawing number 003) and the basement (004) both dated March 2022.

The applicant is seeking the following on the **ground floor**, to allow Late Night Refreshment both 'indoors' Monday to Sunday 23:00-01:00 hours.

I wish to make the following representation in relation to the above application, the provision of and proposed hours for Late Night Refreshment may cause an increase in Public Nuisance in the cumulative impact zone and may impact on Public Safety.

Further information has been provided, which is being considered, but further conditions may be proposed by Environmental Health in order to protect the Licensing Objectives.

The granting of the Premises Licence as presented would have the likely effect of causing an increase in Public Nuisance in the cumulative impact zone and may impact on Public Safety.

Should you wish to discuss the matter further please do not hesitate to contact me.

23/01516/LIPN – Wok and Fire, 33 Haymarket, London

Dear Westminster Licensing Service,

I am writing on behalf of the Chief Officer of Police for the Metropolitan Police Service ("The Police") to make representations opposing the grant of a new premises licence application for Wok and Fire, 33 Haymarket, London.

The Application

1. The application seeks the following licensable activities and opening hours:

Late Night Refreshment

Monday to Sunday 23:00 to 01:00

Opening Hours to Public

Monday to Sunday 11:00 to 01:30

The Police representation

2. The Police believe that if this application were to be granted, it would likely undermine the Licensing Objective "The prevention of crime and disorder" and lead to an increase in cumulative impact within the West End Cumulative Impact Zone ("CIZ").

Statement of Licensing Policy

3. This premises falls within the Fast Food Premises Policy (“FFP1”). The premises is located within the West End CIZ and the proposed licensable hours exceed those of the Core Hours Policy for Pubs and bars, Fast Food and Music and Dance venues which are as follows:

Monday to Thursday: 10am to 11.30pm.

Friday and Saturday: 10am to Midnight.

Sunday: Midday to 10.30pm.

Sundays immediately prior to a bank holiday: Midday to Midnight.

4. As such it is Licensing Authority’s policy to refuse this application. This policy is intended to be strict and will only be overridden in genuinely exceptional circumstances.

5. Paragraph F56 of Westminster’s Statement of Licensing Policy (“SLP”) states: “Fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance and further congestion in the area... The council considers that the addition of hot fast food and hot drink adds to the attractiveness of premises to people who have been drinking and who are more likely to be involved in anti-social behaviour”.

6. Fast food premises can lead to the retention of people, and in particular, intoxicated people within the West End area. These people are more likely to be involved in crime, either as a suspect or victim. The SLP at paragraph F58 states “These issues are of particular concern within the West End Cumulative Impact Zone where there are high concentrations of fast food premises in addition to other licensed premises. On this basis and because the attraction and retention of people by the premises mitigates against their rapid dispersal from the cumulative impact areas, the Licensing Authority considers that the grant of variations or new licences for fast food premises in the Cumulative Impact Areas should be limited to exceptional circumstances”.

7. Paragraph F59 states “Applications within the West End Cumulative Impact Zone, where there is a presumption to refuse under this policy will be expected to demonstrate why their application should be permitted as an exception to this policy”. The Police note that the applicant has offered a condition to ensure that a SIA registered security/door supervisor shall be on duty at the premises from 9pm. Whilst this may help to address any issues related directly with the premises, it is unlikely to mitigate the effect that the premises will have on cumulative impact within the West End CIZ. The Police submit that the applicant has not demonstrated why their application should be considered an exception to policy.

8. Paragraph D16 of the SLP states “The Licensing Authority’s policy, in relation to the West End Cumulative Impact Zone, is directed at the global and cumulative effects of licences on the area as a whole (emphasis added). Therefore, a case is most unlikely to be considered exceptional unless it is directed at the underlying reason for having the policy. Exceptions to the West End Cumulative Impact Zone policy to refuse certain types of applications must be for genuinely exceptional reasons (emphasis added)”.

9. It is the police’s submission that the underlying reasons for the having the Cumulative Impact Policy (“CIP1”) is due to the significant levels of crime, disorder and anti-social behaviour within the West End. Current levels of alcohol related assaults, sexual assaults and robberies are higher now than they were when the Cumulative Impact Assessment was undertaken in 2020. The peak times of these crimes are between 00:00 to 5am Friday to Saturday (trading days). If the application were to be granted, the effect would be to retain and slow the dispersal of potentially intoxicated people out of the West End at a time when crime levels are at a peak. Please see appendix 1 for recent crime statistics for the West End (compared with the borough as a whole) and appendix 2 for a breakdown on what day and time the crimes are committed.

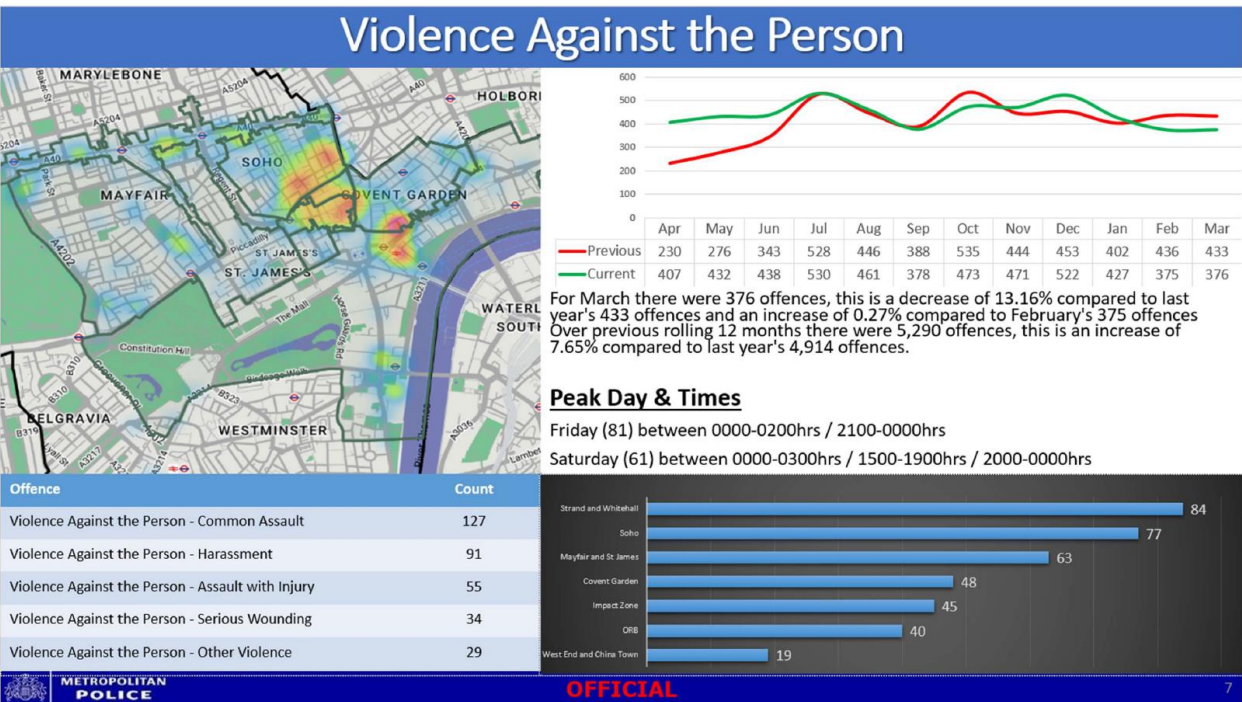

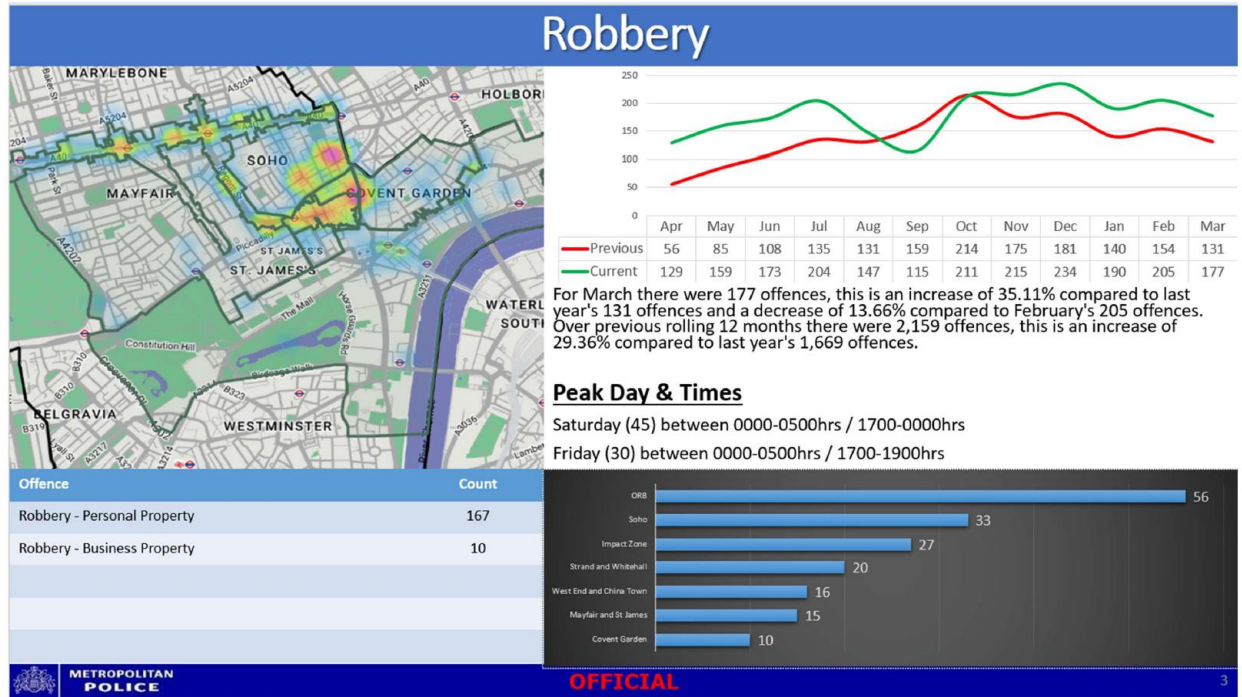

10. Further to the above, it has come to the Police’s attention that Westminster City Inspectors have witnessed on 2 separate occasions, the premises selling hot food after 23:00 without

authorisation. This calls into question the applicant's ability to operate lawfully and promote the licensing objectives should this premises licence be granted.

3.	Policy & Guidance
The following policies within the City of Westminster Statement of Licensing Policy apply:	
Cumulative Impact Policy CIP1 applies.	<p>It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement</p>
Hours Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.

	<p>11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.</p> <p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:</p> <p style="padding-left: 40px;">6. Pubs and bars, Fast Food and Music and Dance venues Monday to Thursday: 10am to 11.30pm. Friday and Saturday: 10am to Midnight. Sunday: Midday to 10.30pm. Sundays immediately prior to a bank holiday: Midday to Midnight.</p> <p>D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p> <p>Note: The core hours are for all licensable activities but if an application includes late night refreshment, then the starting time for that licensable activity will be 11pm.</p>
<p>Fast Food Policy FFP1 Applies</p>	<p>A. Applications outside the West End Cumulative Zones will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. Report of Observations

at

Wok and Fire, 33 Haymarket

By

██████████, Independent Licensing Consultant.

Introduction.

1. David Dadds of Dadds LLP has instructed me to conduct observations at the above premises and in the Haymarket/Piccadilly Circus area in order to consider the potential impact of the application to extend the hours permitted to provide hot food at Wok and Fire, 33 Haymarket, from 23.00 hours to 01.00 hours. The premises currently remains open until 01.00 hours but food at ambient temperature only is available from 23.00 hours.

Summary of Expertise – ██████████

2. I retired from the police service on 2nd November 2012 having completed 31 years exemplary service with the Metropolitan Police in London. Between January 2012 and my retirement, I was employed as the Chief Inspector in charge of licensing for the London Olympic Games 2012. In this role I headed up a team of officers with responsibility for supervision of licensing compliance at all the Olympic venues, including the Olympic Park. In addition, I was responsible for ensuring that any associated events were properly licensed, sufficiently staffed and operated in accordance with the licensing legislation and best practice to ensure the safe and effective delivery of the Olympic Games. In addition to leading my team I visited and worked with both the Olympic Park management and many other venues, reviewing

their policies and procedures and ensuring that the Games were delivered safely and securely. The success of this operation not only protected the reputation of the MPS but provided positive benefits for the profile of the MPS and the United Kingdom. I have been awarded an Assistant Commissioners Commendation for this work.

3. Prior to this role, between Jan 2002 and January 2012, I was employed first as an Inspector and then as a Chief Inspector on the MPS Clubs and Vice Unit (Now SCD9 Serious and Organised crime command). My responsibilities over this period focussed on licensing and included day to day supervision of the licensing team that had a London wide remit to support the Boroughs with licensing activity. Providing both Overt and Covert support for policing problem licensed premises across London. My team worked with premises when licensing issues were identified to address these problems through the use of action plans in order to raise their standards. Where this failed, I would support the Boroughs with evidence for use at review hearings if required.
4. I devised and implemented the MPS strategy 'Safe and Sound' which sought to improve the safety of customers at licensed premises by reducing violent and other crime, in particular gun crime and the most serious violence. I also developed the Promoters Forum and risk assessment process, together these initiatives contributed to an overall reduction in violence in London of 5% and of the most serious violence and gun crime at licensed premises by 20% whilst I was there.
5. From 2004 until 2008 my role included representing the MPS and ACPO licensing lead both in London and nationally. In this role I developed key partnerships with industry, NGOs and Government departments in order to improve the standards at licensed premises. I sat on the British Institute of Innkeeping working party and helped develop the national training for Door Supervisors. I worked with the national regulator the Security Industry Authority to successfully introduce the new regime under the Private Security Industry Act 2001 within London. I sat on Government working parties and worked closely with the alcohol harm reduction team on identifying best practice and ensuring this was used both within London and nationally by police and local

authorities. I worked with Government on the drafting of SEV legislation and gave evidence to the House of Commons Select Committee in 2009 on the impact of premises providing sexual entertainment.

6. I was involved with Best Bar None, a national voluntary scheme of accreditation for safe licensed premises, for a number of years and successfully helped a number of boroughs implement the initiative. I was a trained Best Bar none assessor and until my retirement sat on the Board for Best Bar None in the Royal Borough of Kensington and Chelsea. I was also a trained assessor for Purple Flag, the national voluntary awards scheme for safe, diverse and accessible town centres. For the five years prior to my retirement, I was responsible for licensing of the Notting Hill Carnival, the largest street carnival in Europe. During this time, I contributed to a reduction in violence overall at the Carnival and delivered increased seizures of illegal alcohol, reduction of unlicensed alcohol sales and a reduction in alcohol related violence. In addition to the above I attended internal MPS training and qualification courses, I am trained in conducting health and safety risk assessments and hold the National Certificate for Licensing Practitioners, issued by the British Institute of Inn keeping.
7. Following my retirement, I established 'Clubsafe Services Ltd' to provide independent compliance support and advice for premises and events requiring a local authority licence. Since then, I have provided evidence gathering services, advice and support to a broad range of licensed premises on a variety of issues, including crime and disorder, street drinking, rough sleepers and age-related product issues. I have also provided support to bars and shops at events such as Nottinghill Carnival and provided support and advice for high profile clubs such as Fabric in London. This work has involved premises that benefit from a variety of local authority licences including alcohol on and off licences, betting premises licences and late-night refreshment. I regularly provide expert independent witness evidence at both local authority and appeal court hearings.

Observations.

8. I conducted observations at the premises and in the vicinity on Friday 21st April 2023 from 22.00 hours until about 01.30 hours. The premises is a small noodle restaurant and takeaway located at 33 Haymarket which is towards the north end of Haymarket within the West End CIZ. The pavement area in front of the premises is wide and at this time of the evening, despite it being very busy in Piccadilly with the Eid celebrations, the footfall was light in the vicinity of the premises.
9. There are no similar premises in the vicinity, there is an Angus steakhouse restaurant on the corner of Haymarket with Piccadilly with the Hard Rock café opposite this, both operate as fairly expensive restaurants and close at 00.00 hours. A short way south of Wok and Fire is Tiger Tiger nightclub. On my arrival Tiger Tiger was quiet with just a few customers arriving. They had barriers set up outside the entrance on the pavement in which they searched and ID checked customers and a short way further south Tiger Tiger had set up a smoking area, again with barriers set out halfway across the pavement. Although substantial areas the pavement here is wide enough that they did not impact on pedestrians using the pavement.
10. I conducted observations on Wok and Fire and in the Piccadilly and Haymarket area during the evening. The premises had a slow and steady customer flow both using the restaurant facilities and take-away. The food offering is healthy and quick serve noodles or rice with a choice of meat or vegetables and sauce. It is modestly priced and appeals to the budget and health conscious. At no time did I see more than about 8 to 10 people at the premises, either eating in or collecting take-away. There was no queuing outside the premises and customers arriving and leaving did so quickly and quietly.
11. The premises is currently licensed for hot food until 23.00 hours. At 23.40 I went into the premises posing as a customer. There was one other customer present at this time. I asked for a noodle dish from the menu. The male behind the counter told me

that he was not able to sell hot food but that he had cold food in the form of salads and sushi style dishes available that I declined.

12. From about 00.00 hours Tiger Tiger started getting busier with customers queuing behind the barriers and also using the smoking area. This had no impact on Wok and Fire which was open and had a small number of customers arriving and leaving but had no impact on the area.
13. The nearest access point for the night tube is about 100 metres away, across Haymarket in Piccadilly, by the Shaftesbury Memorial Fountain. Wok and Fire has no impact on the station and will not do so if this application is permitted. There is no parking outside the premises, and I did not see any customers access the premises from vehicles. All arrived and left on foot.
14. By 00.00 most of the local bars and public houses had finished alcohol sales and customers start to leave and access public transport away from the area. Haymarket remained fairly quiet for pedestrians with Piccadilly busier as customers accessed the station via the 24-hour access at the Shaftesbury Memorial Fountain and also accessed late bus services. Wok and Fire remained fairly quiet and had no impact. Tiger Tiger became busier but again Wok and Fire had no impact on this.
15. In my experience people leaving alcohol led bars and pubs are tempted by fast food such as Pizza, burgers and kebabs and are not interested in noodle, rice and vegetable dishes. This is supported by my observations where I saw no difference in the number of type of customers going to Wok and Fire before or after 00.00 hours. I understand that the premises has operated selling hot food to 01.00 hours on previous occasions by virtue of a TEN and on these occasions has caused no issues.
16. Wok and Fire remained open until about 01.00 hours. By this time Tiger Tiger was in full swing but despite the barriers across half of the pavement it had no impact on the pedestrian traffic which was light. Tiger Tiger remains open until 03.00 hours, two hours after the time applied for in this application and leaving customers from Tiger Tiger will not be able to access food from Wok and Fire. The number of people

accessing the transport infrastructure declined after most of the nearby alcohol and food premises had closed and I left the area soon after by about 01.30 hours.

Conclusion.

17. Wok and Fire is located away from the main Piccadilly Circus in Haymarket and the pavement is wide and evening/night-time footfall lower. As demonstrated by Tiger Tiger the pavement here is wide enough to be restricted by 50% and still have no impact on pedestrians. Even in the unlikely event that customers have to wait outside Wok and Fire briefly there would be no impact on pedestrians or traffic in the vicinity.
18. The main 24-hour tube access is about 100 yards away in Piccadilly, convenient for customers but unaffected by the operation of the premises. The style of operation and the food supplied is not that which appeals to those customers leaving alcohol led premises, such as bars and clubs, who are attracted to food such as Pizza, burgers and kebabs.
19. The premises currently operates without causing any additional crime and disorder or nuisance until 01.00 (providing cold food after 23.00) and has operated in the same manner selling hot noodles until 01.00 by virtue of Temporary Event Notices. I am confident that if this application is permitted the premises can sell hot food until 01.00 hours without adding to the Cumulative Impact in the area. If considered necessary an SIA door supervisor could be employed after 21.00 hours to manage access to the premises.

Dear Mr [REDACTED]

Following our telephone conversation early this morning at approximately 00:40 hours on Sunday 2nd of April 2023, can I please remind you no sale of hot food or hot drinks are allowed to be sold after the hours of 23:00 without a Late Night Refreshment Licence.

I have now witnessed the sale of hot food after the hours of 23:00 on two separate occasions on two different days this week.

Your current application for a Late Night Refreshment Licence 23/01516/LIPN is still in the process and has not yet been granted.

Can you relay this information to all staff until the licence has been obtained.

Dated: 16th June 2023

I am a City Inspector employed by Westminster City Council in the Public Protection and Licensing Department, 15th Floor, City Hall, 64 Victoria Street, SW1E 6QP. I am authorised to enter and inspect premises, make enquires, and to exercise the functions and powers as contained under the provisions of the Licensing Act 2003.

Wok and Fire 33 Haymarket, London SW1Y 4HA, did not obtain a current late night refreshment licence at the time observations were carried out on the premises. I was aware the premises did not have a licence as I carried out the inspection of their Notice Check as part of their application for a late night refreshment licence under the Licensing Act 2003. The requirements for the Notice Check were not met and therefore the notice failed inspection. Licensing department was informed in order for the business to be made aware of and changes to be made in order to comply with the requirements of the inspection. The inspection for their application was carried out on 31st December 2022. I decided to carry out observations on the premises as other licensing inspections for the premises had recently failed.

On Sunday 2nd April 2023 at approximately 00:22 hours myself and my colleague [REDACTED] approached Wok and Fire, 33 Haymarket. At the entrance I observed a number of people inside the premises waiting to be served by the till. Staff members were preparing food orders. A cash sale was witnessed for hot food. The customer was male, unknown ethnicity approximately 5ft 9in, in dark clothes and a blue hoodie of slim build. The food was prepared at the front of the premises in front of me by the front window of the business. The food was cooked in a wok on a gas stove, steam and flames from the cooking was witnessed whilst the member of staff was preparing the order. The food was then placed in a takeaway noodle box and handed to the customer. The customer was seen adding sauce to the order and blowing the food cool before consuming it. I approached a male member of staff roughly 5ft 7in, of slim build, dark hair, unknown ethnicity to whom I introduced myself too. I showed my council identification badge and asked to speak to the person in charge. I was then put on a

phone call with a male by the name of [REDACTED] who claimed to be the manager of the premises.

I asked [REDACTED] "what were their opening times of the business?" to which [REDACTED] replied 11:00 till 23:00 hours.

I then asked [REDACTED] "why the sale of hot food was being made available at 00:21?" to which [REDACTED] replied "staff know not to sell hot food or drinks past 23:00 hours as an application for a late night refreshment licence had been submitted. Staff should only be selling cold food after 23:00"

I advised [REDACTED] he could sell hot food and drinks without a licence until 23:00 hours. I asked [REDACTED] to reiterate the information given to him by me to all staff members and to refrain from selling hot food and drinks past 23:00 hours, until a late night refreshment licence has been obtained and granted. [REDACTED] agreed to comply.

[REDACTED]'s contact details were taken, an email was sent to him including the licensing department following my visit with detail of what was witnessed, discussed and advised on.

I am a City Inspector employed by Westminster City Council in the Public Protection and Licensing Department, 15th Floor, City Hall, 64 Victoria Street, SW1E 6QP. I am authorised to enter and inspect premises, make enquires, and to exercise the functions and powers as contained under the provisions of the Licensing Act 2003.

On Friday 23rd June 2023 at 23:27 hours myself and my colleague [REDACTED] approached Wok and Fire, 33 Haymarket. At the entrance of the premises, I witnessed two members of staff cooking hot food in two separate woks. The woks were steaming hot, flames were visible from the stove as the food was being prepared. I approached both male staff members to whom I introduced myself too. I spoke [REDACTED] who I've spoken to before. I showed my council identification badge to [REDACTED] and asked if I could speak to the person in charge. I was eventually put on a phone call with [REDACTED] the manager of the premises.

I asked [REDACTED] "why the sale of hot food was being made available at 23:28?" to which [REDACTED] replied "The two orders being prepared at the time of the breach were pre orders which were taken over the phone, hence why there was no till or online receipts to show what time the orders were placed."

I reiterated to [REDACTED] that the sale of hot food and drinks can be made up until 23:00 hours without a licence. I asked [REDACTED] to comply with the legislation until a decision has been finalised regarding their application. [REDACTED] agreed to comply.
