Responsible Authority:	Licensing Authority
Representative:	Kevin Jackaman
Received:	6 June 2023

I write in relation to the application submitted for a new premises licence for Oka Restaurant Units 1.14 - 1.16, Kingly Court, London, W1B 5PW

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The application seeks the following:

Variation of existing licence so as to (i) update the plans in line with planned refurbishment work; and (ii) update licence conditions. The change of plans includes:

- Extension of restaurant into neighbouring unit space
- Infill floor of existing staircase and dumbwaiter location
- Relocation of kitchen
- Installation of 4 WCs (3 unisex, 1DDA)
- Installation of fire protected lobby by WCs
- Installation of bar counter with perch dining
- Installation and relocation of fixed booths and fixed dining counters

It is noted that there are no proposed changes to the licensable activities or timings.

The premises are located within the West End Cumulative Impact Area and The Licensing Authority note that the premises trade as a restaurant and that the existing licence contains the Council's model restaurant condition. As such various policy points must be considered, namely RTN1(B) and CIP1.

Policy RTN1(B) states:

"B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The hours for licensable activities are within the council's Core Hours Policy HRS1.
3. The operation of any delivery services for alcohol and/or late night refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.
4. The applicant has demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.
5. The application and operation of the venue meeting the definition of a restaurant as per Clause C.

C. For the purposes of this policy a restaurant is defined as:

1. A premises in which customers are shown to their table or the customer will select a table themselves to which food is either served to them or they have collected themselves.
2. Which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at a table.
3. Which do not provide any takeaway service of food and/or drink for immediate consumption, except if provided via an ancillary delivery service to customers at their residential or workplace

address.

4. Where alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are bona fide taking substantial table meals and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.

5. The sale and consumption of alcohol prior to such meals may be in a bar area but must also be ancillary to the taking of such meal”

Policy CIP1 states:

A. It is the Licensing Authority’s policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:

1. Vary the hours within Core Hours under Policy HRS1, and/or
2. Vary the licence to reduce the overall capacity of the premises.

C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.

D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.

The Licensing Authority note that there are no proposed variations in respect of the hours or licensable activities permitted by the current premises licence however it is also noted that as part of the variation of layout it is proposed that the premises will be extended into a neighbouring unit, increasing the area for licensable activities.

Currently there is a condition on the premises licence which restricts the capacity at the premise to no more than 30 persons excluding staff. The capacity condition proposed in the variation application would increase the capacity to no more than 120 persons excluding staff.

As the premise fall with the West End cumulative impact area, it is for the applicant to demonstrate how a potential increase of 90 people will have no adverse impact within the West End Cumulative Impact Area in accordance with Policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation

Hi Karyn

Good to speak earlier.

Regarding Condition 18, the application includes the following new condition:

No licensable activities shall take at the premises until the capacity of the premises has been determined by the Environmental Health Consultation Team and the licensing authority has replaced this condition on the licence with a condition detailing the capacity so determined. Such capacity shall not exceed 120 persons, excluding staff.

If the application is granted, this condition will override existing condition 18 to: (i) prohibit licensable activities until the new capacity is determined; and (ii) apply the new capacity (instead of that in condition 18) once it is determined, making the existing condition 18 otiose and redundant.

(The proposed new capacity has of course now been reduced to 90, following discussions with Environmental Health.)

Hope that helps.

Kind regards,

Alun
