<p>I refer to the application to vary the Premises Licence for the above premises.</p> <p>The applicant is seeking the following:</p> <ol style="list-style-type: none"> 1. Remove condition 16: <i>'There shall be no sales of hot food or hot drink for consumption off premises after 00:00'</i> 2. Remove condition 17: <i>There shall be no home delivery service of any kind from the premises</i> <p>I wish to make the following representations based on the operating schedule submitted:</p> <ol style="list-style-type: none"> 1. The removal of condition 16 may increase Public Nuisance in the area. 2. The removal of condition 17 may increase Public Nuisance in the area. <p>Environmental Health also makes the following further comments and representations:</p> <ul style="list-style-type: none"> • An additional condition has been offered in place of the conditions to be removed – this is considered to be insufficient to allay Environmental Health concerns. • The Council revised its Statement of Licensing Policy in 2021. One of the new requirements under the Policy is that greater emphasis has been placed on licensed premises demonstrating compliance with policy CH1, Protection of Children from Harm. Free advice on complying with this can be found at page 36 of the Policy <p>The applicant is therefore requested to contact the undersigned to discuss the above and arrange a site after which Environmental Health may propose additional conditions for the proposed changes.</p>

<p>The late night opening hours are causing the residents extreme nuisance at night already. Large numbers of delivery riders (motor and push bikes) congregate around the premises most nights until 3AM - playing music on their devices and shouting loudly until 3AM. They keep revving their bikes and often have loud arguments. The staff at the premises make absolutely no effort in trying to stop this behaviour.</p>

<p>On behalf of the Hyde Park Estate Association we would like to strongly object to the above application on the grounds that it will not promote WCC Licensing Authority objectives: namely the Prevention of Public Nuisance, Prevention of Crime and Disorder and Prevention of Children from Harm and Public Safety.:</p> <p>The application is TO REMOVE the following two conditions:-</p> <p>16. There shall be no sales of hot food or hot drink for consumption off the premises after 00:00; and</p> <p>17. There shall be no home delivery service of any kind from the premises;</p> <p>I note the inclusions of MC 98 but in reality this is a small shop so we are not encouraged by how this will be managed - it would depend on the amount of staff available so it would be interesting to hear from the premises management how the staff would manage delivery bikes outside using these premises ? How many staff would be on duty at all times ? Would they go out every hour and tell the take away deliveries to stop making a noise; stop parking bikes on the pavement etc. etc. ??</p> <p>As always these conditions are only put on by the original Licensing Committee after serious consideration of all the evidence presented and listed to. I know I used to sit on Licensing committees.</p> <p>Unfortunately we are not able to see any detail of the existing trading hours. However Praed street; even at 00.30 hours is still quite busy with traffic. Many cars parked along the southern side by the fast food premises and a fair amount of buses. Even at this time 30 minutes after midnight I note a hold up due to buses over taking stationary cars close to traffic lights and no one able to move forward until the traffic lights changed.</p> <p>Unfortunately we are not able to see any detail of the existing trading hours. The only food related shops I saw open on Praed Street (on my 00.30 hour visit) were a couple of</p>	

small supermarkets and:- a) Cottage Chicken, no opening hours displayed; b) Subway; hours display Thurs Fri. Sat. 08.00-02.00 Sunday 9-12, Mon-Wed. 08.00-01.00 and c) KFC opening hours displayed in window: daily 10.30-02.00.

Everyone is fully aware of the continuing begging issues on this street and along with rough sleeping something we have spoken frequently about and still the problems continue with little change.

Praed Street has many residential properties (above the shops) and many narrow side streets to the south off Praed Street which are nearly almost residential. We also have: a major hospital with many ambulances (but wanting some peace and quiet at night) and Paddington Station. Then there is the ongoing regeneration of the PSPA with "The Cube" so it makes this area hugely busy with traffic issues such as taxi pick ups and drop offs and private pick ups and drop offs which holding traffic up and a main bus route and a main ambulance route etc. etc. Even the underground tubes stop shortly after midnight.

This very busy road has only two large single lanes for traffic !! and hold ups are common here and adding parked delivery bikes (which are often known to cause of hold ups) outside the fast food shops and with only narrow pavements this we see as just adding to the problems on this narrow street.

We need to keep the balance between business and residents. We do not want to create a street with many restaurants converting to fast food and deliveries throughout the night. This is not Edgware Road.

The premises want to provide hot food and hot drink after 00.00 midnight. The Council considers that premises which serve cold food and drink and are not subject to Licensing not so problematic however people who have been drinking usually prefer hot food. HPEA do not want this area to become a destination venue for those who have been drinking so they can come here to eat late at night or buy take away before travelling on home after midnight.

We ask that conditions 16 and 17 are not removed from the present Licence and REMAIN in PLACE

If the committee feel the need to grant we ask that take-away/off-sales are limited to no later than 02.00 hours Friday-Saturday and 01.00 hrs Monday-Thursday and non after midnight on Sunday.

BUT NO home deliveries so keeping condition 17. We do have local residents who have been woken up when the door bells have been rung by mistake; after midnight for a home takeaway.

Address and/or Residents Association:	Paddington Waterways And Maida Vale Society
Received:	12 April 2023

Our comments are made as an Amenity Society recognised by Westminster City Council. We are officially charged with working towards the preservation and enhancement of the architectural and environmental quality of Little Venice, Maida Vale and the Paddington Waterway area (including planning and licensing issues).

We recognise that these premises are run as a business and we are aware that it has to be a viable operation, providing services for locals. We are very keen to ensure that an appropriate balance is maintained between the legitimate rights of business and the equally legitimate and important rights of residents.

Introduction

Our representation is made on the basis that the likely impact of the application, if granted as applied for, would be to harm the licensing objectives, particularly that of prevention of public

nuisance.

Background

These premises are located in a very busy road, served by many buses, very close to Paddington Station and St Mary's Hospital. There are also many residential units nearby. We believe the activities proposed will add significantly to the nuisance and noise late at night.

The application is for takeaway food by home delivery, which is currently not permitted, to be permitted until 2am (1am Sunday), and for takeaway food by customers attending the premises to be extended from midnight to 2am (1am Sunday). The footfall and delivery scooters will exacerbate the situation and potentially add to anti social behaviour.

If a hearing takes place, we will endeavour to attend. Or appoint Richard Brown to represent us.

Address and/or Residents Association:	South East Bayswater Residents Association (SEBRA)
Received:	12 April 2023

I am writing on behalf of the South East Bayswater Residents' Association (SEBRA) to make a relevant representation objecting to this licence application on the basis of the likely impact on the licensing objective of 'prevention of public nuisance'.

Introduction

SEBRA was formed in 1970 and works to protect the special character of our area. A non-profit, non party-political, voluntary organisation, we represent more than 1,000 people. SEBRA is consulted by Westminster Council on both major developments and all Council activities which affect the daily lives of residents.

As a recognised amenity society we often engage in consultations with licence applicants both before and during the application process and note with some disappointment that we have not been contacted by the applicant in this case.

Background

The premises is located at the middle section of Praed Street, mixed retail units on ground floor with residential units above and the hinterland is predominantly residential.

SEBRA's position

We do have concerns with the premises applying remove Conditions 17 & 18 that issues in the area are at present not adequately mitigated by the application, and we believe that nuisance, litter, noise, waking up residents when making deliveries etc will be detrimental to the area.

We note application is for takeaway food by home delivery, which is currently not permitted, to be permitted until 2am (1am Sunday), and for takeaway food by customers attending the premises to be extended from midnight to 2am (1am Sunday).

We cannot see any sale of takeaway food by delivery service being able to run without problems as premises are a busy thoroughfare, outside a run of Double Yellow lines with a very busy bus stop and bus gage immediately opposite.

When delivery scooters, bikes etc stop and wait for collection, they are bound to cause blocking road, especially when buses stop to discharge or pick up passengers.

On non delivery take away, we believe reasons why extended hours were refused last time have not changed and since then matters have got worse in terms of nuisance, noise, litter etc from premises offering take away services.

WCC Statement of Licensing Policy

Regrettably the application does not appear to address the clear statements in the Policy

highlighting potential problems which ought to be mitigated by applicants and for this mitigation to be set out in the Operating Schedule. We do not consider the sole additional condition proposed to be effective and/or enforceable and note that in any event this deals only with deliveries, not with walk-up takeaway.

The premises already benefits from hours beyond core hours for takeaway (albeit not delivery) and there is no justification in the application to extend this. WCCs concerns with fast food premises operating late at night are clear from the FFP1 policy, eg:

F56. Fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance and further congestion in the area. Although premises which serve cold food and drink are not subject to licensing and may stay open all night, they are not so attractive to people who have been drinking as those providing hot food and drink. The council considers that the addition of hot fast food and hot drink adds to the attractiveness of premises to people who have been drinking and who are more likely to be involved in anti-social behaviour.

Likewise, the city-wide issue of deliveries of late night refreshment are set out clearly in policy DEL1, for instance:

G4. The Licensing Authority is concerned with the growing levels of residential complaints and issues associated with public nuisance that is either generated at or in the general vicinity of the licensed premises where deliveries are collected or at the end destination where the delivery is made. Complaints often relate to noise from delivery personnel waiting around the licensed premises or from their delivery vehicles. Applicants must consider the potential impact of noise nuisance from delivery personnel and their vehicles at the licensed premises or at the end destination. Appropriate waiting areas inside the licensed premises must be provided to prevent delivery personnel congregating outside the venue.

The criteria and considerations set out in DEL1 simply have not been addressed – for instance are the delivery drivers to be 3rd parties? If so, the policy is much stricter on what hours may be granted.

As no delivery service is currently permitted from the premises, what experience of operating delivery services elsewhere does the applicant have?

Conclusion

We are aware of course that applications can be amended, and as ever, SEBRA is always very happy for our contact details, including mobile number, to be passed to the applicant/their solicitors, and to discuss the operation and application with them.

We reserve the right to make further comments /proposals /conditions in due course when we have more information about the application/operation.

3.	Policy & Guidance
The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises. 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives. 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day.
