Therefore, this application falls under Westminster's RNT1 (B) Policy which states 'B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.

(iii) which provide food in the form of substantial table meals that are prepared on the premises and are served and consumed at the table,

The applicant has applied for the sale by retail of alcohol both on and off the premises. The Licensing Authority would encourage the applicant to provide further submissions as to the proposed operation of the 'off sales' from the premises, and how this is intended to be operated and controlled to ensure that there is no adverse impact within the West End Cumulative Impact Area.

The Licensing Authority encourages the applicant to provide further submissions in regards to the red line for licensable activities that goes around the pavement and if this is a private forecourt or public highway.

The Licensing Authority encourages the applicant to provide further submissions as to how the premises will not add to cumulative impact in the West End cumulative impact area, in accordance with policy CIP1.

The Licensing Authority would like submissions from the applicant in regard to the application so it can be assessed further and against any other relevant policy considerations.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

Following the submission of the amended plans, the conditions proposed by the applicant including MC66 and the application falling within Westminster's Core Hours the Licensing Authority do not believe this application will add to cumulative impact and withdrew their representation on 11 October 2023.

If the standard condition to deal with this is accepted then I can confirm that this objection will be withdrawn.

<p>The application states that alcohol will be for sale only indoors, but the property plan includes the ground floor outside area as a 'licensed area'. Which is correct?</p> <p>The plan itself is functionally incomprehensible due to a lack of any labelling - is the outside area in question on ██████████ (and therefore blocking the pavement) or on ██████████ (and therefore disgorging inebriated patrons onto a quiet pedestrianised street at gone midnight)?</p> <p>As local residents, we cannot engage meaningfully with the proposal while basic information is contradictory and unclear.</p> <p><i>Following the submission of the amended plans, the interested party withdrew their representation on 05 September 2023.</i></p>

3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural

and sporting venues due to the nature of the operation.

11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.

13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.

14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

1. **Casinos:** Up to 24 hours a day whilst casino gaming is permitted by a premises licence under the Gambling Act 2005.

Introduction

1. This is an application for restaurant to be located at 18a Maddox Street, London W1S 1PH (“**the Premises**”).
2. A concept pack is provided, which includes indicative concept images and menu. Toum will operate as a healthy, free-range Lebanese style roast chicken and side mezzes in a casual dining setting at ground and basement level.
3. Whilst the Premises are located in the West End Cumulative Impact Zone, the operation proposed and licence applied for are proposal for which there is no presumption for refusal under the City Council’s Statement of Licensing Policy (“**the Policy**”).

The Application

4. The application is for a restaurant with MC66 applying in full. The operating schedule and additional conditions agreed, address the Council’s policies in relation to the licensing objectives and cumulative impact within the cumulative impact area.
5. No Regulated Entertainment has been applied for. The hours applied for are in line with Core Hours. No outside space forms part of the licensed area and all off sales are to be in sealed containers save where consumed by persons seated outside the premises building at tables appropriately authorised.

Responsible Authorities

6. There are no active Responsible Authority representations. The absence of representations, particularly from the Police and Environmental Health – the experts in crime and disorder and public nuisance – should be given appropriate weight when considering the impact on the licensing objectives and negative impact on cumulative impact in this particular location.

Residents

7. The applicant has engaged with residents and Residential Associations, agreeing conditions to address concerns raised (See Schedule below).
8. One residential objection remains to the application. The applicant has attempted to engage with the resident via the Licensing Authority to address their issues of concern, but has to date not received a reply.

Policy

10. Given the location of the Premises in the West End Cumulative Impact Zone, and the operation as a restaurant, Policies **CIP1**, **RNT1(B)** and **HRS1** apply.

(a) Cumulative Impact Policy CIP1

“Applications for other premises types within the West End Cumulative Impact Zone will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.”

11. It is important to distinguish the Premises operating as a restaurant from the *“late night and drink led premises and/or night cafes”* which the Policy at Paragraph D4 notes as having *“led*

to serious problems or disorder and/or public nuisance affecting residents, visitors and other businesses.”

12. The Premises are conservative in size and MC66 shall apply in full.

(b) Restaurants within the Cumulative Impact Areas - Policy RTN1(B)

13 *“B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:*

(1)	The application meeting the requirements of CD1, PS1, PN1 and CH1.	Absence of Responsible Authority representations. See commentary.
(2)	The hours for licensable activities are within the Council’s Core Hours Policy HRS1	Confirmed
(3)	The operation of any delivery services for alcohol and/or late night refreshment meeting the council’s Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.	N/A
(4)	The applicant has demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone	Restaurant use (MC66) Absence of Police Rep
(5)	The application and operation of the venue meeting the definition of a restaurant as per Clause C	Confirmed

14. **Reasons for Policy RNT1 F110:** *“This policy only applies to those premises that are proposed to be used as a restaurant as defined within this policy, and not to fast food premises. The policy distinguishes between restaurants, where dining (a substantial table meal) is the main evening activity for its customers, and fast food premises which at certain hours are likely to attract and provide food for people at the end of an evenings’ drinking.”* The offering and intention of Toum is the former, a restaurant.

15. Policy paragraph F125 states: *“The wide variety of restaurants is a feature of Westminster and contributes to its status as a world class city. Restaurants of various types attract people over a wide range of ages. Restaurants where there is no music and dancing, where customers are seated and served at tables, may appeal particularly to families or older customers. **It is recognised that restaurants, as defined in this section, have a low risk of association with crime and disorder.**”* This is endorsed by the absence of police representation.

(c) Core Hours – Policy HRS1

A. *Applications within the core hours [...] will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.”*

16. The hours applied for licensable activities are in line with Policy HRS1 permitted by Policy:

Westminster’s Licensing Policy Hours for Restaurants:

Monday to Thursday: 9am to 11.30pm.

Friday and Saturday: 9am to Midnight.

Sunday: 9am to 10.30pm.

Sundays immediately prior to a bank holiday: 9am to Midnight

17. As per Policy paragraph E3, *‘[i]t is the Licensing Authority’s intention to generally grant licences or variations to licences where the hours when customers are permitted to be on the premises are within the ‘core hours’ as set out within this policy.’* The hours sought are in line with restaurant use hours.

Conclusion

18. This is an application for a core hours restaurant; no regulated entertainment has been applied for. This is a Policy compliant application, with no presumption for refusal.
19. Appropriate weight should be given to the absence of Police, Environmental Health and Licensing Authority representation.
20. Additional conditions have been agreed (see Schedule below). These additional conditions, together with the Operating Schedule proposed, shall ensure the promotion of the Licensing Objectives and no adverse impact in the West End Cumulative Impact Area.

TOUM

CONCEPT

TOUM, meaning 'garlic,' will serve healthy, free-range, Lebanese style roast chicken and side mezzes in a casual buzzy setting.

A rotisserie chicken concept in Central London.

The space will be built around the attractively displayed golden chickens slowly roasting on fire spits, with the objective of triggering the appetite of passing trade.

Our free-range chicken is brined for 24 hours to add moisture and juiciness, then marinated for up to 4 hours in our special blend to enhance flavor, before being slow-roasted in front of customers.

We will offer our chicken in whole, half and quarter portions. Signature sandwiches will also be on our menu alongside a variety of tasty side mezzes (including salads and vegan options) and delicious homemade sauces.

We will also offer a focused and smart selection of wines, beers and house cocktails.

TEAM

TOUM was created and will be operated by the Team behind Aline Lebanese Kitchen, headed by Tarek Farah. Aline, is a modern Lebanese restaurant established in 2015 in Maddox street.

With over 600 reviews throughout different platforms, Aline has an average rating of over 4.5/5 and has been selected by Tatler as one of the best Middle Eastern restaurants in London.

MONIKA KHOUEIRI

Monika started her career in 2013 with Kababji, a Mediterranean grill chain with over 30 outlets between Lebanon, the Gulf and London. After completing her management training program she went on to manage the group's marketing department where she led a complete rebranding of the business, from packaging to advertising.

In 2017, she moved to London to co-manage Aline Lebanese Kitchen, again focusing on the business's marketing.

TAREK FARAH

Tarek started his career in 2011 with Quilvest Private Equity, as part of their Direct Deals London team specializing in restaurant investments.

In 2015 he founded Aline Lebanese Kitchen, a 30-cover restaurant serving authentic Lebanese mezzes and grills in a modern and casual setting, which he has been managing since.
