Representative:	PC Steve Muldoon
Received:	21 July 2023 (<i>withdrawn 24 July 2023</i>)
<p>The Metropolitan Police Service (**MPS**) objects to this application as it is likely that if the application were to be granted, the premise would undermine the following licensing objective/s: the Prevention of Crime and Disorder.</p> <p>The reasons for this objection are as follows:</p> <p>Crime in the area is significantly high and especially high during the late night hours that the applicant has applied for, and at this time having read the application there are not enough conditions to deal with any potential issues.</p> <p>I have made contact with the venues solicitor to discuss this.</p> <p>Further submissions will be submitted.</p> <p>Following agreement of additional conditions, the Metropolitan Police Service withdrew their representation on 24 July 2023</p>	
Responsible Authority:	Environmental Health
Representative:	Kudzy Mondhlani
Received:	20 July 2023
<p>I refer to the application for a Premises Licence.</p> <p>The premises is located in Edgware Road Special Consideration Zone as stated in the City of Westminster's Statement of Licensing Policy.</p> <p>This representation is based on the operating schedule and plans submitted of ground floor and basement plans dated 03 April 2023.</p> <p>The applicant is seeking the following.</p> <ol style="list-style-type: none"> 1. To provide recorded music 'Indoors' Monday to Sunday between 23.00 and 01:00 hours. 2. To provide Late Night Refreshment 'Indoors' and 'Outdoors' Monday to Sunday between 	

23.00 and 01:00 hours .

I wish to make the following representation.

1. The provision of recorded music would have the likely effect of causing an increase in Public Nuisance and may also impact on Public Safety in the SCZ.
2. The provision of late-night refreshment will have the likely effect of causing an increase in Public Nuisance and may impact on Public Safety in the SCZ.

The granting of the application as presented would have the likely effect of causing an increase in Public Nuisance and may also impact on Public Safety within Special Consideration Zone.

Upon a site visit, additional EH conditions may be proposed to uphold the licensing objectives. Should you wish to discuss the matter further please do not hesitate to contact me.

Address and/or Residents Association:	The Hyde Park Estate Association
Received:	21 July 2023

Firstly may I believe this is in the Church Street Ward and not Hyde Park.

As this is on our boundary The Hyde Park Estate Ass. (A Westminster recognised amenity group) are writing to strongly object to this application as we believe that this is likely to lead to Public Nuisance; an increase in Crime and Disorder public safety and it therefore does not support our Licensing objectives.

Inspite of the best intentions of the applicant to be the eyes and eyes of the area - after many years of sitting on licensing committees I understand that unfortunately this is unrealistic unless you have a committed and dedicated person permanently on outside entrance.

Proposed application:

- a) Late Night Refreshment Licence for indoors and outdoors from 23.00-01.00 every day including Sunday.
- b) Recorded music indoors from 23.00 - 01.00 hours every day including Sunday
- c) The hours the premises are open from 12.00 noon to 02.00 every day including Sunday

However, the licence application stuck on the door does not mention (c). Only (a) and (b). A different notice on the doors shows opening hours for business 12.00 noon - 23.00 hours.

Could we please be clear about the hours these premises are presently open? and if indeed the premises are applying for extended opening hours from 12.00 noon - 02.00 hours?

We note this 'premise is': one restaurant called Taste of Lahore (Asian fusion) and a take-away with separate entrance into the basement called Tanky's (Hamburgers posters shown) Both have entrances on Chapel Street. The take-away shows Uber deliveries etc. down the stairs and shown on the internal basement plan "Staff entrance for take-away" which is slightly confusing.

On doors of both Tanky's and Taste of Lahore premises it shows the Licence application. So is this an application for one restaurant or one restaurant plus one take-away sharing one kitchen space but separate entrances? Is it one business or is it two businesses? Is it take-away and deliveries?

The operation of these premises needs to be explained as it is confusing. Unfortunately I note no plan showing the position of this restaurant on the street in the documents online.

This restaurant and basement take-away entrances and frontages are definitely on Chapel Street. The postal address maybe Edgware Road but this premise is definitely Chapel Street. Next door to a residential block of flats. The take-away entrance to Tanky's is next door to the entrance of a large block of flats and the side streets are all fully residential.

This pavement is quite narrow and we note that LNR license is requested for both indoors and outdoors! What kind of seating is the premise showing for outdoors? Is it at the front of the

premise on Chapel Street or maybe behind the premise? In our view there is no room on Chapel Street due to narrow pavement to accommodate T&C's. The part that could be considered private forecourt is far too narrow to accommodate T & C's.

Will this applicant be apply for T & C's on the highway? In our view T & C's outside this premise would be an impediment to any pedestrians as the pavement is not wide enough and if smoking shisha outside this is certainly an impediment for pedestrians creating an unhealthy atmosphere especially if you have breathing problems.

Does the Asian fusion food take-aways and deliveries also go down stairs for their take-aways or can people go directly into the Taste of Lahore for take-away? Edgware Road is in the Special Consideration Area and whilst not in the Cumulative Impact Area does have increased regard to WCC's Licensing Policy SCZ1.

The Met Police advise us constantly that Public Nuisance and Crime and Disorder increase the later the time a premises is open beyond Westminster City Council's Core Hours Policy, which this application seeks to gain.

Anything beyond Core Hours, when patrons leave the premises, will more likely than not increase noise and disturbance - often clients talking loudly on their phones, parking in neighbouring residential side streets with car doors banging and loud voices. As the police have always advised what happens on one side of the road affects the whole road.

If the premises is providing hot food after 11pm it is most likely to become a destination venue, both for those who have been drinking so they can eat, and /or buy some take away before going home. The Council considers that premises serving cold food are not subject to Licensing and are not so attractive to people who have been drinking as those providing hot food.

We strongly object to the extended hours and ask that you refuse this application as we do not believe it will meet all of Westminster's Licensing objectives. We believe that in this residential position it is vitally important to keep the balance between business and resident's needs.

If you are minded to grant then we request you reduce the hours requested and no outside LNR after 21.00 hrs. We also request that all doors be closed so as not to allow music to disturb residents.

On behalf of the Marylebone Ward Councillors, we object to the above application as it will not promote the Licensing objectives namely of prevention of public nuisance, crime and disorder, public safety and children from harm.

We completely support the comments made by the HPEA and would be grateful for clarification of the points raised by them as the entire application is not clear.

Edgware Road is in a Special Consideration Area and this application needs to be considered in this regard. What happens in one part of the area affects the whole area by the nature of the type of premises on Edgware Rd.

Thank you for your consideration and we respectfully ask that this application be refused or at the very least no longer than Coire Hours are granted.

3.	Policy & Guidance
The following policies within the City of Westminster Statement of Licensing Policy apply:	
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely. 12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises. 13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives. 14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable

	<p>activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p> <p>C. For the purpose of Clauses A and B above, the Core Hours for This application as defined within this policy is:</p> <p>8. Restaurants: Monday to Thursday: 9am to 11.30pm. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 4. The applicant has taken account of the Special Consideration Zones Policy SCZ1 if the premises are located within a designated zone. 5. For the purposes of this policy a restaurant is defined as:</p> <ol style="list-style-type: none"> 1. A premises in which customers are shown to their table or the customer will select a table themselves to which food is either served to them or they have collected themselves. 2. The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:
