Monday 1st September 2014

Dear Sirs,

Ref: Vanity, 4 Carlisle Street W1D 3BJ - 14/06652/LIPV and 14/06704/LISEVV

I am writing on behalf of The Nadler Soho hotel, located at 10 Carlisle Street, W1D 3BR, to object to both Licence Variation Application 14/06652/LIPV and New Premises Licence Application 14/06704/LISEVV.

My grounds for objection cover all four licencing objectives: Protection of Children from Harm, Protection of Public Safety, Prevention of Crime and Disorder and Prevention of Public Nuisance. Dealing firstly with the New Premises Licence Application no 14/06704/LISEVV, the applicants contend that their Application, if successful, will promote the above four licencing objectives. The reason stated for this for all bar Protection of Children is the same and set out in Part 4 of their application. It is misleading, and misrepresents the conditions under which the current licence operates. It was **not**, as implied, a bar/nightclub open to all patrons 'seeing (sic) the consumption of alcohol as a major part of their night out'. On the contrary, the present licencing condition 34 sets out strict and explicit criteria in respect of who can be admitted past 23.00 and the requirement for the sale of alcohol to be ancillary to the use of the premises where patrons must take a full table meal (see also condition 32). As the applicant is seeking to have these conditions removed, in Application 14/06652/LIPV, together with the removal of other existing conditions, the licencing objectives will be threatened, not promoted, by premises that have no restriction on entry and where the provision of food with alcohol is no longer a requirement.

Their contention that the use of the premises for Sexual Entertainment will improve the character and function of the city is palpably incomprehensible. Soho's character has improved dramatically over the last 40 years since I was a Police Officer (Special Constable SC122) stationed at Vine Street. Due to the efforts of WCC together with various amenity groups and landlords, Soho has gone from a sleazy and seedy area to a vibrant centre of entertainment

THE NADLER SOHO

and activity whilst being generally safe and welcoming to all. A user such as that proposed will be a regressive step in terms of the character of the neighbourhood. It will create a threatening, sexually charged atmosphere, especially for women and children, of whom there are an increasing number in Soho, even late at night, due to the positive change in the character of the area.

In terms of function, Carlisle Street, west from the Dean Street junction, is a tight and short cul-de-sac. As such, any activity has a greater impact, positive or negative, on the functioning of this part of the street. The increase in the scale of activity as proposed, particularly in respect of the late night, unrestricted entrance, will have a seriously detrimental impact on the functioning of Carlisle Street. Patrons arriving and leaving by taxis, which will struggle to come in, turn and exit this end of Carlisle Street, will cause mayhem late at night with potential for traffic noise, arguments and consequently violence. Together with inebriated clients leaving the premises, this is a recipe for disaster for residents and other occupiers of Carlisle Street.

The increase in noise from activities now spread over more area and floors is also a serious concern, especially later at night/early morning, constituting a public nuisance.

In respect of licencing objective 'The Protection of Children from Harm', as stated above, there are now more children in Soho late at night, as parents are presently comfortable that this is a safe part of the city. This includes not just visitors and tourists but also an increasing numbers of residents as well as hotel guests, many with young families, a demographic with whom our hotel is particularly popular. As I have said above, the atmosphere and potential for violence that the proposal will generate hardly promotes the stated objective, but rather undermines it.

In addition, the reasons given in the application for an exception to be made to the cumulative impact – Stress Areas – Policy STR1 are again unsupportable and misleading. They misrepresent the current conditions of operation, as explained above, and will intensify, not displace, the number of patrons, with an increase in the area of activities for Sexual Entertainment, thus having the opposite impact to that claimed.

In light of the above, I believe this application should be refused.

Looking at Application 14/06652/LIPV, we wish to object to this application also, on grounds of its negative impact on all four of the Licencing Objectives. Many of our objections are stated

THE NADLER SOHO

above, but turning to the requested changes to the existing licence conditions, we have further concerns, which I set out below.

The revisions to the layout, and the increase in areas where Sexual Entertainment can take place creates an intensification of use, and is likely to cause an increase in the number of patrons who are on the premises at any one time, with all the attendant consequences this will have on entry and exit, in a very restricted street/cul-de-sac. This is likely to lead to a direct threat to the objectives of the Stress Areas policy.

Turning to the application to remove specific existing conditions:

10. We do not see how removal of this condition will benefit the four licencing objectives, and indeed fear that it will undermine the objectives.

15. As already explained, this will generate an intensification of activity, with the attendant consequences described above.

30. We believe that removal of this condition will mean that the licensees will be unsuitable and untrained persons, without the experience and training to handle the increased number of patrons and that this will impact negatively on the Prevention of Crime and Disorder as well as Public Safety and Public Nuisance.

32. Without this condition that requires the provision of substantial food other than intoxicating liquor, the premises will become a late night drinking den. The provision of Sexual Entertainment is hardly likely to reduce the amount of alcohol consumed, a contention of the applicants with which we disagree and which we do not believe can be substantiated. The removal of the requirement to serve substantial food varies the nature of the Premises considerably, and will likely cause an increase in levels of drunkenness with associated public nuisance, and crime and disorder.

34. The removal of the restrictions on entry post 23.00 hours changes the type of clientele who will be permitted to enter, making it more difficult to control who enters, undermining the nature of the premises that had been in the realm of a private members club, thereby increasing the potential numbers of clients on the premises, intensifying the use late at night, at times when public transport will no longer be available, and therefore further increasing the likelihood that all four licencing objectives will be undermined.

THE NADLER SOHO

41(e). Requesting the removal of this condition undermines the applicant's assertion that the provision of Sexual Entertainment is the central activity, and not drinking. If this condition is removed, the sale of alcohol becomes a principle activity, and the likelihood of inebriated patrons behaving in a manner likely to cause a breach of the peace and undermining the licencing objectives of Protection of Public Safety, Prevention of Crime and Disorder and Prevention of Public Nuisance increases significantly.

47. Removal of this condition will increase the intensification of the Sexual Entertainment activity, meaning more patrons on the streets arriving and leaving late at night. This will put residents and other visitors to Soho, especially children, at risk, being contrary to the licencing objective of Protection of Children from Harm, as well as the other three licencing objectives.

The only step proposed by the applicants to address the promotion of the four licensing objectives is to advise that they operate under a series of Codes of Conduct (undefined). In view of their desire to remove condition 30, this is a grave concern.

The application to extend the hours undermines the Licensing Authority's policy of deeming this area a "Stress Area". The Licensing Authority is clear that applications to vary licences within the stress area should only be limited to core hours of 10:00-00:00 Friday Saturday; 12:00-23:30 Sunday; 10:00-23:30 midweek. This application goes far beyond those core hours. The Licensing Policy refers to the need to "balance the legitimate aspirations of the entertainment industry with the needs of residents and other users of the city including visitors and businesses". These proposals skew that balance significantly and adversely.

Based on these objections, we believe this application should be refused.

It would be our intention to attend a hearing, if a hearing is held.

Yours faithfully,

Robert Nadler

Dear Miss Eaton good morning Burbage Capital is the owner of 7 Carlisle Street and a nearby property (37 Soho Square). Like many others we have invested in light of the ongoing improvement of the local area.

I wish to register our objections to the applications generally and specifically in view of the inevitability that :

Children will not be protected from harm Public Safety will be compromised Crime and Disorder will increase Public Nuisance will increase

Carlisle Street is a short cul-de-sac and the problems suffered by occupiers and owners will be exacerbated by the unacceptable intensification of use. I cannot imagine this is desirable in the context of the arrival of Crossrail 2 and the intended benefit to Soho and our great capital city.

Dear Sir/Madam

Ref: 14/06652/LIPV Vanity, 4 Carlisle Street, Soho

I write to make a relevant representation to the above application on behalf of the Soho Society.

The Soho Society is a charitable company limited by guarantee established in 1972. The Society is a recognised amenity society and was formed to make Soho a better place to live, work or visit by preserving and enhancing the area's existing diversity of character and uses, and by improving its facilities, amenities and environment. In particular, the Society supports the City Council's policies, including the cumulative impact policy, as set out in the Statement of Licensing Policy.

The Society objects to this application as it is currently presented, on the grounds of prevention of public nuisance, prevention of crime and disorder and cumulative impact in the West End Stress Area.

The application appears to seek operating hours until 3.30am Mon-Sat, and 1am on Sundays. This is clearly way beyond core hours and I see no reasonable explanation for the premises to be considered an exception to policy. The applicant also seeks removal of certain conditions appended to the current licence, notably those:

- containing dancing and striptease within the basement (15, 47)
- ensuring sale of alcohol is ancillary to music, dancing and refreshment (41e)
- ensuring substantial food and beverages are available (32)
- carefully monitoring the sale of intoxicating liquor (34a-f)
- requiring all premises licensees to possess the National Entertainment Licensees certificate or equivalent (30)

These conditions have been arrived at after years of long and fraught negotiation between past owners of the premises and residents of Carlisle Street – in particular, the residents immediately above – in order to strive for a harmonious co-existence. There can be no possible benefit whatsoever towards the licensing objectives by their removal as this will likely lead to increased public nuisance and cumulative impact in the immediate area, and therefore increased potential for crime and disorder.

This area has been identified by the City Council (2.4.1 of the Statement of Licensing Policy, as amended) as under stress because the cumulative effect of the concentration of late night and drink led premises and

night cafes has led to serious problems of disorder and/or public nuisance affecting residents, visitors and other businesses.

The policies in relation to the Stress Areas are directed at the global and cumulative effects of licences on the area as a whole (2.4.5 of the Policy). The policies are intended to be strict and will only be overridden in genuinely exceptional circumstances (2.4.2 of the Policy).

For the reasons I have set out, we believe that the application, if granted in its present form, would fail to promote the licensing objectives of prevention of public nuisance and prevention of crime and disorder. I respectfully urge the Sub-Committee to reject this application.

Yours faithfully,

David Gleeson

Appendix B8

I am writing to object to the Premises Licence Variation (14/06652/LIPV) for Vanity at 4 Carlisle Street W1D 3BJ on the grounds of Public Nuisance and fail to see why the variation is thought be improving the character and function of the city.

I have been a resident at no. 4 Carlisle Street since 1987 and bought my flat when the permitted use for the lower premises was a restaurant. Since then I have lived through a number of clubs in the lower floors.

There has always been a noise problem both internal and external. The core structure of 4 Carlisle Street was built in the 17th century and re-fronted in the 18th century and built as house. It is not suited to the use for club or bar as sound is easily transmitted through the building. My bedroom is on 3rd floor and both dance music and karaoke from the basement were clearly audible there until Westminster Council enforced a condition that dance music should only be in the basement and insisted that the previous tenant incorporated high class quality insulation to protect the residents. There had been previous attempts insulation but nothing satisfactory until then. You can still occasionally hear music from the basement but nothing on the previous scale. Ambient music was allowed in the Ground Floor bar and on the Mezzanine floor. On the whole this has worked very well. Dance music by its nature has an insistent beat and this was transmitted through the structure and I assure it is virtually impossible to sleep once the beat gets into your brain. It was also possible to sing along with the karaoke three stories up.

I am strongly against the change to condition 15, 24 and to changes to the layout by moving the stage to the ground floor and installing booths on ground and first floor. Having dance music on all three of the floors will be impossible to contain as the sound will be able to move through the voids of the staircase to all areas as well as through the structure. It will be particularly difficult for the first floor flat as the sound will be coming from the back of the flat as well as from underneath.

There will also be problems with external noise. There has always been a certain amount of activity from the club continuing out on the street but this increased substantially after the smoking ban. People went outside for a cigarette, then friends joined them and there they stay talking, laughing shouting, friends in cars come and join them and turn their music up, drinking. Carlisle Street is a cul-de-sac therefore no passing traffic, so customers stand or sit in the road, on the curb, on the steps of the empty building opposite and call across the street. The club owners always say that they can deal with this but they can't and don't. They will employ door staff but they do virtually nothing and may contribute to the problem. They don't want to remonstrate with customers because that is bad for business, they also say that it is not their customers causing the noise etc. etc.

There is the problem of people hanging around in our doorway both from the club and also the pub. The pub is now owned by Nag's Head, who do occasionally have a security person there but frequently I have to ask people to let me pass to get to my doorway or ask them to move from sitting on the doorstep or on opening the front door stumble over glasses and bags left on the doorstep. So this does not augur well for their control of noise and customers outside the club.

For the next three years I will have my 18 year old niece from Fiji staying with me during the university holidays. Finding men out for an evening at a sexual entertainment venue hanging round the front door, particularly with no restrictions on availability of alcohol will definitely be intimidating and not just to my niece.

As the club will be open long after public transport has closed down, presumably the club clientele will be using taxis and minicabs to go home. We have had problems with taxis hanging around outside with their engines running and ringing our doorbells in the early hours, thinking that the flats had requested the pick-up.

I am also against the changes to conditions 32, 34 and 41 which seem to be encouraging increases in alcohol consumption by allowing anybody to wander in off the street for a drink and by not providing any food to mop the alcohol up. This seems to contradict the Nag's Head variation application for a sexual entertainment licence in which they say that changing the club to a 'tableside dancing venue will facilitate the premises in attracting a clientele seeking entertainment rather than seeking the consumption of alcohol as a major part of their night out'.

Another concern is the request to remove condition 30 that 'all licensees possess the National Entertainment Licensees Certificate', which does not seem to enhance the view of club owners as taking their responsibilities to their customers or neighbours seriously.

Finally, I am concerned about the length of the opening hours of the club. The various owners of the club premises have usually wanted to be open until 3 am and for a number of years, the hours were limited to 11.30pm during the week and 2am at weekends balancing the rights of the residents to quiet enjoyment of their homes and the requirements of the club.

In this application, there is no recognition of the rights of residents or the recognition of the disruption and difficulties that a club of this nature would cause and the applicant has made no effort to contact residents or businesses to discuss the proposals.

ref: PUBLIC NUISANCE

Dear Sir/Madam,

It has just been brought to my attention plans have been submitted to operate a lap dancing club in 4 Carlisle Street which also happens to be a residential premises where I and two other sets of neighbours live.

While I've not spoken to them about this application, I am sure they will be appalled.

Indeed I am outraged at the prospect of such an odious, exploitative sex industry launching underneath my flat also in 4 Carlisle Street - in short, this constitutes a public nuisance and that will be the main grounds of my objection.

The area is largely residential, quiet and on the fringe of Soho where the sex industries do not operate.

I have several grounds for objection, not least of all a sleazy industry which at best exploits female sex workers and at worst titillates men getting them into a sexually aroused state before letting them loose on our streets.

I would urge you to refuse this application because it is at odds with the gentile environment now operating in and around the Carlisle Street area. This sort of business was something which thrived in the 70s and 80s and is no longer an industry which suits Soho's increasingly sophisticated environment.

Apart from the obvious dangers of sexually aroused male predators stalking the area, I am also concerned about noise levels which would almost certainly spill on to the streets, possible disturbances from unhappy customers, noisy exits from customers and the common practice of hanging around such establishments waiting for the staff to leave.

Kindest regards

Yvonne Ridley

Subject: Premises Licence (14/06652/LIPV)

My name is Hugh Matheson. In 1985 I bought the freehold of No 4 Carlisle St from Paul Raymond and closed the Toulouse L'Autrec drinking club on the Ground Floor and the Doll's House Striptease and Nude Revue which was operating in the basement. I subsequently sold the freehold to My Conglomerate Ltd to operate a Tapas Bar and private members club with a licence to close at 11.00pm. I retained the second floor flat and have either occupied it or let it out off and on for the ensuing 28 years. I have objected to every extension of the licensed hours and to the various increases in the "right" to make disruptive noise under the music and dancing licence and since 1997 to the street noise from the smokers and their companions making merry in the cul de sac of Carlisle st. We have almost always been the losers in this process.

My principal objection is that when I arrived in Soho it was in the words of social and architectural historian Dan Cruikshank a "socially crunchy" area with many sex workers and drinking clubs with an air of Bohemian irresponsibility. Sadly Jeffrey Bernard is dead and his world has been replaced with far removed commercial organisations intent on exploiting the raffish history for maximum profit from drink and ersatz sex. The applicants have no stake in Soho. They do not live here and they do not have day jobs which start at 08.00. I doubt if the committee which hears this application will have any personal rather than political stake in Carlisle St and its spoliation. I do not like the building Robert Nadler has put up at the end of the street but he has put his mouth where his money is and I applaud his robust defence of the civil liberties of the residents.

I note that my objection should refer to;

1. Protection of Children from Harm. The sight of adults shouting and puking in the street (Whilst smoking) harms children. The sight of sad people in macs queueing to watch other men and women take their clothes off before all of them, watchers and strippers, go home to the suburbs, leaving the Council to clear up the mess with only our Council Tax to pay the bill probably harms children too. I did not send my son to the primary school 25 years ago for this reason.

2. Protection of public safety. Do fights happen outside pubs? ...er. you answer that.

3. Do people nick stuff and damage property when drunk? ...er. you answer that.

4. Prevention of public nuisance ... er. Am I describing a quiet well behaved cul de sac where retired gentry would like to live. Am I heck.

Many thank for reading this far.

Appendix B11

To whom it may concern,

This letter is in regards to the Premises Licence Variation (14/06652/LIPV) for Vanity at 4 Carlisle Street W1D 3BJ. I object to this variation on grounds of Public Nuisance and I do not see in anyway how the change in Vanity is in the interest of the current residents and workers on Carlisle Street.

I am writing as the occupant of the flat on the 3rd floor on Carlisle Street where I live with my Aunt - Alice Dugdale, the owner. I am an 18 year old girl and will be living in the flat, my home in London, during my university holidays. If these changes are granted I will not find comfort in having the floors below me occupied by those drinking alcohol in the midst of sexual entertainment.

Currently, there are already noise problems experienced in the flat I occupy, which is on the top floor. These noises are not internal, but are from the general crowds that gather outside the Nellie Dean pub in the evenings. Fortunately this crowd tends to disperse around 11pm, however, as I understand it Vanity hopes to remain open till 3am. It would not befit a mainly residential street to have crowds of smokers in the street in the early morning hours. It is not the smoking that is the problem. It is the fact that there is always loud conversations that accompanies large groups of smokers outside establishments that serve alcohol.

I also assume that many of the customers attending Vanity will need taxis to leave after 12am. If this is the case, Carlisle street is very short and that taxi services will very quickly become a nuisance in the later evening to the residences in their homes. This is because there are rarely cars driving on Carlisle Street in the later evenings and these homes are not designed to keep out the noises of drunk people loudly getting into vehicles or taxis beeping their horns.

I sincerely hope that the changes are not permitted,

Yours sincerely,

Charlotte.

Appeal History

CANDY BAR, 4 CARLISLE STREET WC2

On 12th May 2005 application was received from Ms Lucas for conversion of the existing licence(s) under the Licensing Act 2003 and variation of that licence in respect of Candy Bar, 4 Carlisle Street WC2. The variation application sought to:

- (1) allow striptease entertainment provided by female performers in the basement stage area
- (2) allow the provision of licensable activities on Friday and Saturday to 3am on the day following
- (3) allow the provision of licensable activities on Monday to Thursday to midnight
- (4) allow the provision of licensable activities on Sunday preceding a Bank Holiday (except Easter Sunday) to 2am on the day following
- (5) allow the provision of licensable activities up to 2am for 12 events per calendar year on 48 hours notice to Police (such as Pride Weekend and Valentine's Day)
- (6) remove condition (8) from the Premises Licence which states "Striptease entertainment may only be provided in the basement area and shall only be permitted from 19 February 2005 to 19 August 2005"

Representations were made by the Police, the Environmental Health Consultation Team, the Soho Society; Association of Soho Residents and Businesses; Meard & Dean Street Residents' Association and one local resident.

On 5 July 2005 the Licensing Sub-Committee refused in part the variation application granting only variations 1 and 6 (as set out above). The application for conversion was granted.

Notice of appeal was lodged against the decision of the Licensing Sub-Committee. The Soho Society appeared as a party in their own right. The full hearing took place on 20 and 21 June 2006 at Horseferry Road Magistrates Court. The District Judge came to the conclusion that no exceptional circumstances had been made out, and the appeal was therefore dismissed. The Appellant was ordered to pay the City Council's costs in the total sum of £15,000.
