It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none">1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1, and/or,2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the	

premises.

C. The applications referred to in Clause B1 and B2 will generally be granted subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The operation of any delivery services for alcohol and/or late night refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.
3. The application and operation of the venue continuing to meet the definition of a Fast Food Premises in Clause D.

D. For the purposes of this policy a Fast Food Premises is defined as:

1. A premises that provides late night refreshment, either by way of fast food over a counter, via a self-seating basis or take away for immediate consumption.
2. Food and drink are:
 - a. Available on the premises for self-selection.
 - b. Prepared on the premises.
 - c. Cooked or produced off the premises but brought to that premises in advance of its sale to customers.
3. The food and drink are provided in pre-sealed or open disposable packaging which is intended for immediate consumption.
4. A fast-food premises can provide a delivery service as part of its operation, however that service must be ancillary to the main function of the premises as defined within sub-clauses D,1 to D,3 above.

The Licensing Authority note that the application falls outside of Westminster's core hours under Policy HRS1.

6. Pubs and bars, Fast Food and Music and Dance venues

Monday to Thursday: 10am to 11.30pm.

Friday and Saturday: 10am to Midnight.

Sunday: Midday to 10.30pm.

Sundays immediately prior to a bank holiday: Midday to Midnight.

Paragraph F56 states; Fast food premises which are open after 11pm can attract large groups of customers, many of whom have been consuming alcohol in pubs, bars, or night clubs sometimes some distance away. The congregation of people around these premises leads to additional noise and disturbance and further congestion in the area. Although premises which serve cold food and drink are not subject to licensing and may stay open all night, they are not so attractive to people who have been drinking as those providing hot food and drink. The council considers that the addition of hot fast food and hot drink adds to the attractiveness of premises to people who have been drinking and who are more likely to be involved in anti-social behaviour.

Paragraph F59 goes on to say Applications within the West End Cumulative Impact Zone, where there is a presumption to refuse under this policy will be expected to demonstrate why their application should be permitted as an exception to this policy.

The Licensing Authority would like the applicant to provide further submissions on the below questions;

- Can the applicant provide further submissions on the intended overall operation of the premises?
- Will the sale of hot food and drinks be for consumption off the premises only or will customer be able to consume it on the premises?
- Can you provide details of the type of hot food items the applicant intends to sell?
- Will there be deliveries from the premises?
- What type of vehicles would be used for deliveries?

The Licensing Authority would like confirmation to the above questions to be able to assess any further relevant policy considerations.

The Licensing Authority require the applicant to provide submissions as to how the operation of the premises will not add to cumulative impact in the West End cumulative impact zone, in accordance with policy CIP1.

The Licensing Authority looks forward to receiving further submissions from the applicant in due course.

Please accept this as a formal representation.

Dear Westminster Licensing Services,

I am writing on behalf of the Commissioner of the Metropolitan Police Service (“The Police”) to make representations opposing the grant of a premises licence application for **31 Wardour Street, W1D 6PT**

The application seeks the following licensable activities:

Sale of alcohol (Off)

Monday – Saturday: 08:00 – 23:00

Sunday: 10:00 – 22:30

Late Night Refreshment

Monday – Sunday: 23:00 – 05:00

Following consideration of the application and how it may affect the Licensing Objectives, I wish to make the following representation:

The proposed licensable activities are likely to undermine the following licensing objective:

- The Prevention of Crime and Disorder.

The premises is located at 31 Wardour Street, W1D 6PT, which is within the West End Cumulative Impact Zone (“CIZ”). The Police have concerns that a new premises, which provides Late Night Refreshment until 05:00 hours every day of the week, will adversely impact the area. The crime levels within the CIZ are significant. Wardour Street, in particular, is already saturated by late night premises, which bring crime and disorder to the area.

The Police would like people dispersed from the area, however, 31 Wardour Street, would likely

keep people remaining in the vicinity because hot food and drink is attractive. This can make revellers a target for robberies and assaults. General Anti-Social Behaviour could also increase. The police are already struggling to cope with the excessive crime levels within the West End.

Westminster's Statement of Licensing Policy 2021 states under its Fast Food Premises Policy ("FFP1") section B:

"It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than: 1. Applications to vary the existing Licence hours within the councils core hours policy HRS1."

The Police request that that the licensing sub-committee take into account all the above points, and we respectfully ask that this application is refused.

Yours sincerely,
Adam.

3. Policy & Guidance

The following policies within the City of Westminster Statement of Licensing Policy apply:

Hours Policy HRS1 applies:

- A.** Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.
- B.** Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:
1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.
 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
 5. The proposed hours when any music, including incidental music, will be played.
 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.

8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.

9. The capacity of the premises.

10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.

11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.

13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.

14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

11a. Shops (all licensable activities that are provided as ancillary to the primary use of the premises as a shop except the off sale of alcohol)
Monday to Thursday: 9am to 11.30pm.
Friday and Saturday: 9am to Midnight.
Sunday: 9am to 10.30pm.
Sundays immediately prior to a bank holiday: 9am to Midnight.

11b. Shops (off-sales of alcohol where it forms either the ancillary or primary use of the premises)
Monday to Saturday: 8am to 11pm.
Sunday: 9am to 10.30pm.

D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where licensable activity is permitted.

E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.

Note: The core hours are for all licensable activities but if an application includes late night refreshment then the starting time for that licensable activity will be 11pm.

**Shops Policy SHP1
applies:**

B. Applications for a shop inside the West End Cumulative Impact Zone will be considered on their own merits and subject to:

1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.
2. The hours for licensable activities are within the council's Core Hours Policy HRS1.
3. The operation of any delivery services for alcohol meeting the council's Ancillary Alcohol and/or Late-night Refreshment Delivery Service Policy DEL1.
4. The applicant having demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.
5. The application and operation of the venue meeting the definition of a shop in **Clause C**.

C. For the purposes of this policy:

1. A shop is defined as a stall, vehicle, vessel, temporary structure, building or part of a stall, vehicle, vessel, temporary structure or building where the primary activity is the sale of goods or services to customers upon payment.
2. The licensable activities for the sale of alcohol for consumption on the premises, regulated entertainment and/or late night refreshment must be ancillary to the primary use of the premises as a shop.
3. The licensable activity of the sale of alcohol for consumption off the premises must be an ancillary function to the primary use of the premises unless that primary use is to sell alcohol for consumption off the premises, e.g. a traditional off licence.

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

SUMMARY OF PROPOSALS

Solicitors for the Applicant**

Introduction

1. This is an application for a premises licence for 31 Wardour Street, London W1D 6PT (“the Premises”). The application is on exactly the same terms as premises licence 07/10675/WCCMAP (“the Existing Licence”) which was active until on or around 31 July 2023 at which time the Tenant surrendered the premises licence without notice to Shaftesbury as Landlord.
2. Shaftesbury are a responsible Landlord who are a major stakeholder in the area with a unique and bespoke policy of fostering and maintaining local culture and economy. Despite Shaftesbury serving a Notification of Interest in respect of the Premises (reference 22/09508/LI178 for the 12 month period commencing 06 October 2022), no notification was sent by the Licensing Authority to notify Shaftesbury of the surrender. Had it done so, Shaftesbury would have applied for reinstatement of the Existing Licence under the provisions of s. 50 Licensing Act 2003 and an application for new premises licence would not have been required.
3. We have asked the Licensing authority for an explanation as to why there was no notification, but none has been forthcoming. This is not meant to be a criticism or claim simply to put matters in context.
4. There is, therefore, a legitimate expectation in law that Shaftesbury should have been informed of the surrender of the premises license by the tenant at the time. If they had, they would have submitted an application within the requisite 28 day period and the licence would not have lapsed.

The Application

5. The application is for:

Sale of Alcohol (Off Sales)	Monday – Saturday: 08:00 – 23:00 Sunday: 10:00 – 22:30
Late Night Refreshment:	Monday – Sunday: 23:00 – 05:00
Opening Hours	Monday – Saturday: 08:00 – 08:00 Sunday: 10:00 – 05:00

6. The Premises is located in the West End Cumulative Impact Zone. It is a conservative sized premises, with a customer capacity of 30. No more than 15% of the sales are can be used at any one time for the sale, exposure for sale or display of alcohol. No super-strength spirits can be sold. Outside of licensed alcohol hours all alcohol in trading areas must be secured behind locked grills/screens or locked behind secured cabinet doors.

The Application

7. The Premises operated successfully and, to the best of Shaftesbury’s knowledge, without incident or concern. Whilst the previous tenant has departed, Shaftesbury will select a wholly appropriate and vetted tenant to take over the Premises.

Conditions

8. In any event, the policy recognises re-instatement on the same terms, subject to 'modernisation of conditions' where licences have lapsed in similar circumstances. The following conditions in **green bold** are therefore agreed as the simply modernise the conditions. The ones in ~~red-strike-through~~ are not as they change the nature of the licence, which is inconsistent with policy. Those in *blue italics* are already on the licence in the same or similar form.

9. Police Proposed Conditions

3	<p>An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. 12	No miniature bottles of spirits of 20 cl or below shall be sold from the premises.	New MC85

Policy

10. Policy paragraph B15 states: *"In cases where licences have lapsed through insolvency or death, the council will generally grant a new licence on similar terms to the lapsed licence as a replacement. However, the council will take into account the previous history of the premises, the length of time the premises have been closed, and any problems at the premises, and will determine and impose conditions that reflect current good practice for the type of business proposed at the premises."*
11. The premises licence was surrendered in July. The applicant became aware of the surrender on 19 October 2023. The application was made on 25 October 2023.
12. Policy paragraph D21 states: *"Applications for new licences to replace licences which have lapsed because of the failure to submit an interim authority notice in due time in the event of the death or insolvency of a licence holder will be considered by the licensing authority as possible"*

exceptions. Unless there are representations that indicate there have been problems with the previous licence, licences may be granted with conditions which replicate the effect of those of the previous licence and with conditions which bring the licence in line with good practice on other licences e.g. on door supervision. This will not apply to licences which have been surrendered or those which can have no practical effect because the premises to which they applied no longer exist or will not continue to exist in their previous form, e.g. because of planned demolition or redevelopment.”

Conclusion

13. This is an application to reinstate a licence which previously operated from the Premises on the same terms. Had the applicant been notified of the surrender of the licence as it should have been following the notification of interest, the applicant would have applied to reinstate the licence under the provisions of s. 50 Licensing Act 2003 and a new licence application would not have been necessary.

Metropolitan Police submission

31 Wardour Street, W1 is a convenience store situated in the middle of the West End, with the closest tube being Piccadilly Circus. The premises used to operate 24 hours a day and was previously licensed under 07/10675/WCCMAP. This allowed the premises to provide Late Night Refreshment from Monday to Sunday 23:00 – 05:00 and the sale of alcohol (off sales) Monday to Saturday 08:00 to 23:00 and Sunday 10:00 to 22:30. On Monday 17th July 2023, the premises licence holder, Mughul Ltd, contacted Westminster City Council to inform them that their last trading day will be the 31st July 2023, and the premises licence would be surrendered. Since this time, approximately 7 months, there has been no premises licence and therefore no licensable activity at 31 Wardour Street, W1.

It is the view of the Metropolitan Police Service that to grant a new premises licence for a premises located within in the Cumulative Impact Zone will have an adverse effect on the area and cause further Policing issues in relation to crime and disorder.

The premises is in a prime location, as it is next door to O'Neill's Public House, a licensed premises, which is open until 03:30 Wednesday to Saturday. There are other late night premises on the same street such as Little Macau, which is a gambling arcade open 24 hours a day, every day. The West End is already saturated by late night licensed premises, and to add another late night premises to Wardour Street, will keep people in the area for longer late at night. This opens up opportunities for people to become victims of robbery and assaults, as well as general anti-social behaviour, such as begging and illegal drug use.

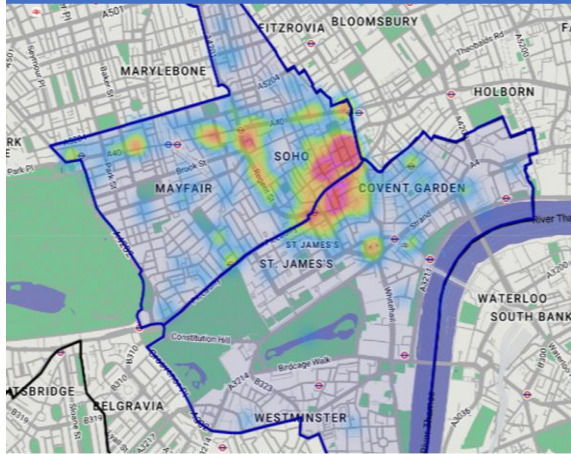

As well as the crime and disorder objective not being met, the hours applied for are beyond core hours, and it is the licensing authority's policy to refuse applications within the CIZ.

The current levels of assaults, sexual assaults and robberies within the West End are now higher than at pre-COVID levels and when the current Cumulative Impact Assessment was conducted in 2020. The new draft Cumulative Impact Assessment 2023 states that the West End (West End and St James Wards), now account for just under 66% of all crime within Westminster and 74% of all 'public realm' crime. On page 51 of the new assessment, it describes the area known as West End Zone 1 (where this venue sits) as the epicentre for issues associated with cumulative impact and states that this area holds a quarter of all licensed premises.

Within the CIZ, there is a high concentration of street robberies and violence against the person, and a majority of these offences are committed at or after midnight and especially on Fridays and Saturdays.

Below are the most recent figures and heat maps, (December 2023) which give a clear indication of the crime levels (robbery, assaults and ASB) within the West End footprint. The common denominator being crime is higher on the weekend in the earlier hours of the morning.

Robbery

For Dec there were 288 offences, this is an increase of 13.39% compared to last year's 254 offences and an increase of 19.01% compared to Nov's 242 offences. Over previous rolling 12 months there were 2,830 offences, this is an increase of 28.81% compared to last year's 2,197 offences.

Offence	Count
Personal Property	280
Business Property	8

Robbery

The category of robbery is predominantly 'robbery of personal property', but there are additional smaller volumes of 'robbery of business property'.

There were 3,006 robberies in Westminster in 2022 and offences have been steadily returning since covid. This increase in offences is reflected in the growing proportion of robbery offences in Westminster compared to the whole of London, with 13% of the annual rolling total, higher than previous years. Like theft and violence, **robberies are also highly concentrated in the West End and St James's wards, with 70% (2,099) of all offences in 2022 within these wards, 43% in just three LSOAs. At night this concentration increases to 76% (1,608) and 47% respectively.**

Robbery offences are highly concentrated by time and day, with 70% (2,101) occurring between 6pm and 6am. Key times are after midnight on Saturday and Sunday mornings.

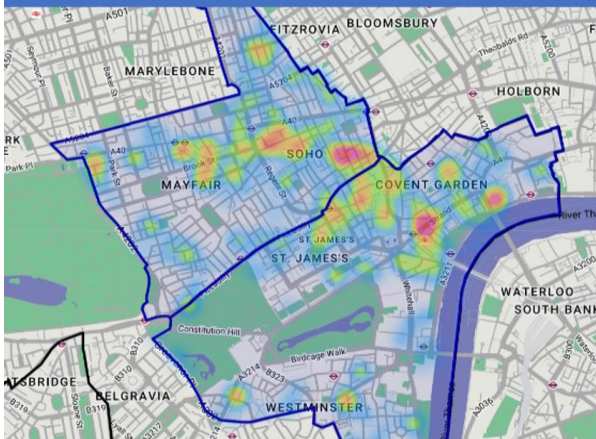

Anti-Social Behaviour (ASB)

Summary

- Alcohol related ASB incidents and London Ambulance Calls outs for alcohol/overdose are heavily concentrated in the West End and St. James's Ward, at weekends and late night.
- This includes 57% (117) of alcohol related police ASB in the West End referencing a venue of interest to the CIA, and 74% (2,904) of all ambulance attendances for alcohol occurring overnight and 63% (2,465) within the West End
- Transport related data illustrates the concentration of crime and disorder issues at stations within the West End, night buses and travel routes away from the West End
- Consultations reveal the scale of concerns of residents and workers around disorder issues associated with the use and sale of alcohol and the wider night time economy. 27% of West End respondents to the City Survey feel there are problems specifically related to licensed premises.
