Responsible Authority:	Licensing Authority
Representative:	Roxsana Haq
Received:	15 January 2024

I write in relation to the application submitted for a new (time limited) premises licence for **136 Shaftesbury Avenue, London W1D 5EZ.**

As a responsible authority under section 13 (4) of the Licensing Act 2003 as amended under the Police and Social Responsibility Act 2011, the Licensing Authority have considered your application in full. The Licensing Authority has concerns in relation to this application and how the premises would promote the four Licensing Objectives:

- Public Nuisance
- Prevention of Crime & Disorder
- Public Safety
- Protection of children from harm

The applicant is seeking the following licensable activities:

The application seeks the following:

Sale of Alcohol

Monday – Saturday: 09:00 – 02:00

Sunday: 10:00 – 00:00

Regulated entertainment (performance of dance, films, plays, live music, recorded music, anything similar):

Monday – Saturday: 09:00 – 02:00

Sunday: 10:00 – 00:00

Late Night Refreshment:

Monday – Saturday: 23:00 – 02:00

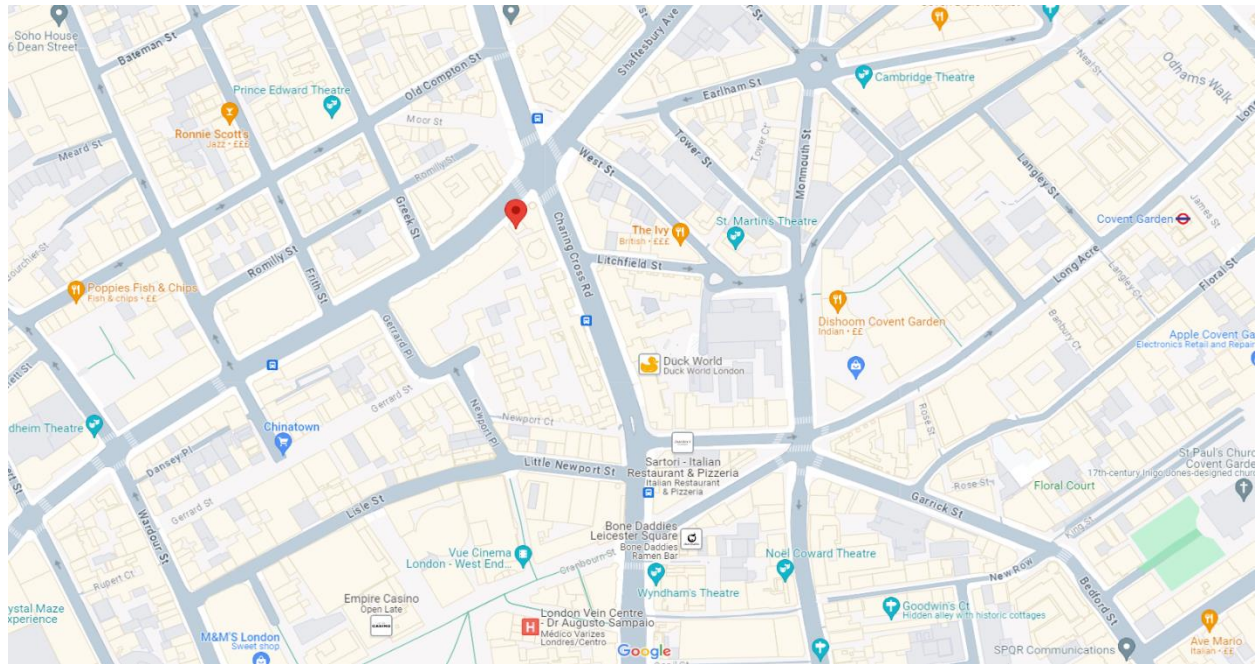

Sunday: 23:00 – 00:00

Opening Hours

Monday to Saturday: 09:00 to 04:00

Sunday: 10:00 to 04:00

The premises is located on the corner of Shaftesbury Avenue and Charing Cross Road, approximately 6 minutes' walk from Piccadilly Circus and Covent Garden. The area is predominantly commercial with limited residential properties within 50 meters of the premises. See location map below.

The premises intends to continue to operate as a bar and will be considered under policy PB1. The premises is located within the West End Cumulative Impact Zone and is seeking hours outside of the Councils Core hours and as such additional policy points must be considered, namely HRS1 and CIP1.

The core hours policy is a key policy in promoting the Licensing objectives, particularly relating to crime and disorder and public nuisance. The hours policy provides a set of core hours that relate to the location where an application may be made, or premises currently operates and for the specific premises use/operation of that premise.

The West End has been designated as a Cumulative Impact Zone and the evidence to support this has been produced within the Licensing Authority's 2020 Cumulative Impact Assessment. As a result, the West End Cumulative Impact Zone has a presumption to refuse certain types of premises use applications that are outside of Core Hours. This policy approach is necessary to promote the licensing objectives. Unlike the rest of the city this zone has the largest concentration of licensed premises in the city and, within the heart of this zone, the average incident rate is nine times greater than the rest of the city

Notwithstanding the above, hours later than core hours will be considered on their own merits in relation to other policies in the Statement of Licensing Policy. The Licensing Authority is particularly concerned that premises that primarily serve alcohol, with or without the provision of any ancillary playing of music, can give rise to public nuisance for residents and other businesses, particularly where there is a concentration of such premises. This is principally due to noise from the premises and from patrons when they leave. Pubs and bars present opportunities for crime and they can also give rise to disorder. This is of particular concern within the West End Cumulative Impact Zone where there are substantial numbers of licensed premises within a confined area. Premises that primarily sell alcohol are likely to have a greater risk of impacting the licensing objectives.

The applicant is required to demonstrate that they have considered the potential risks to the

licensing objectives and that the proposed licence will have no adverse impact within the West End Cumulative Impact Zone. In its current form the applicant has not provided any additional measures or conditions to demonstrate that the granting of this application will not add to cumulative impact and on that basis the Licensing Authority make formal representation.

The Licensing Authority looks forward to receiving further submissions from the applicant and anticipate the site visit will further assist us to consider the application and possible policy implications.

<p>I write to object to this application on behalf of myself and the Soho Ward Panel on the basis that it is against the council's licensing policy to grant a licence until this time (2 am), also on the basis of cumulative impact, and the potential for crime and disorder (this area having probably the highest crime figures in Westminster) particularly between the hours of 10 pm and 4 am.</p> <p>I would ask that the application be refused.</p>			

3. Policy & Guidance

The following policies within the City of Westminster Statement of Licensing Policy apply:	
Policy CIP1 applies	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> 1. Vary the hours within Core Hours under Policy HRS1, and/or 2. Vary the licence to reduce the overall capacity of the premises. <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
Policy HRS1 applies	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> 1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm. 2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation. 3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed. 4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises. 5. The proposed hours when any music, including incidental music, will be played. 6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises. 7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity. 8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night. 9. The capacity of the premises. 10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation. 11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.

	<p>12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.</p> <p>13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.</p> <p>14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.</p>
<p>Policy PB1(B) applies</p>	<p>B. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone other than:</p> <ol style="list-style-type: none"> 1. Applications to vary the existing licence hours within the council's Core Hours Policy HRS1. 2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises. <p>C. The applications referred to in Clause B1 and B2 will generally be granted subject to:</p> <ol style="list-style-type: none"> 1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1, and/or, 2. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1. 3. The application and operation of the venue continuing to meet the definition of a Public House or Bar in Clause D. <p>D. For the purposes of this policy a Public House or Bar is defined as a premises, or part of a premises that's primary use is the sale or supply of alcohol for consumption on those premises and/or for consumption off the premises for consumption outside the venue.</p>

4. Equality Implications

The Council in its capacity as Licensing Authority has a duty to have regard to its public sector equality duty under section 149 of the Equality Act 2010. In summary, section 149 provides that a Public Authority must, in the exercise of its functions, have due regard to the need to:

- (a) eliminate discrimination harassment, victimisation and any other conduct that is prohibited by or under this Act;
- (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and
- (c) foster good relations between persons who share a relevant protected characteristics and persons who do not share it.

Section 149 (7) of the Equality Act 2010 defines the relevant protected characteristics as age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.

Re: 23/09175/LIPN 136 Shaftesbury Avenue London W1D 5EZ

Further Police representations

Location

136 Shaftesbury Avenue is located with the West End Cumulative Impact Zone (“WECIZ”), at the Cambridge Circus junction. This junction is located at the far East end of Shaftesbury Avenue and borders the South East part of Soho.

There are 124 licenced premises (Licenced under the Licensing Act 2003) located within a 150 metre radius of 136 Shaftesbury Avenue. Please see below figure. N.B, this does not include the licenced premises located with the borough of Camden, which borders this area to the North East.

Statement of Licensing Policy

As stated above, the premise is located within the WECIZ. The premises intends to operate as a bar and falls within the PB1 (Public Houses and Bars) Policy. Policy PB1.b.1 and 2 states:

“B. It is the Licensing Authority’s policy to refuse applications within the West End Cumulative Impact Zone other than:

- 1. Applications to vary the existing licence hours within the council’s Core Hours Policy HRS1.*
- 2. Applications that seek to vary the existing licence so as to reduce the overall capacity of the premises”*

The statement of licensing policy states at P93:

“If the premises, to which the application relates is located within the West End Cumulative Impact Zone it is likely to add to the cumulative stress in that area. On this basis, the Licensing Authority considers that the grant of variations or new licences for pubs and bars in the West End Cumulative Impact Zone should be limited to exceptional circumstances.”

The application was presented as **“The premises currently operate under temporary licence no. 21/14611/LIPN and this application is for a further temporary licence”**. The hours and conditions were replicated in their entirety, apart from condition 12 which reads: *“Substantial food and non-intoxicating beverages, including drinking water, shall be available throughout the permitted hours in all parts of the premises where alcohol is sold or supplied for consumption on the premises”*. It was a concern to the Police that it was the intention of the applicant to remove this condition. It should be noted that the applicant has since offered to keep this condition on the operating schedule if the licence is granted.

The application seeks to replace another time limited licence which is due to expire in April 2024. This application seeks licensable activities at the premises for 2 years, until the 8th of April 2026. The Police submit that such ‘trial’ period licence are contrary to Westminster’s Statement of

Licensing Policy.

Policy. Paragraph B14 states:

“Trial periods are not appropriate in the Cumulative Impact Policy with regard to the policies for fast food (FFP1), for pubs and bars (PB1), and music and dancing (MD1) in the West End Cumulative Impact Zone. This is because the impact on the Cumulative Impact Zone of any one premises staying open later can rarely be measured empirically over a trial period (which underlies the fact that cumulative impact is a consequence of the totality of premises in an area rather any individual premises). Moreover, there are not the resources available to the responsible authorities to conduct such empirical measurement exercises. Accordingly, a trial period for individual premises in the Cumulative Impact Zone will almost inevitably be refused. Any trial periods to demonstrate that granting licences of other types does not add to cumulative impact in the Cumulative Impact Zone would generally be impractical for the same reasons. The council considers that as a general principle, trial periods are not in accordance with the principles of the Licensing Act because the Licensing Authority needs to be satisfied that the grant of an application would promote the licensing objectives, and if it were so satisfied a trial period would not be necessary”

The Police submit that replacing a licence that has ‘lapsed’ or ‘ended’ should not be treated as exceptional circumstances when granting licences for pubs or bars within the WECIZ.

Cumulative Impact Assessment 2023 (“CIA”)

The 2023 Cumulative Impact Assessment reinforced that fact that that West End suffers from Cumulative Impact. This assessment states: *“In 2022 the borough now accounted for **9.2%** (83,633) of all total notifiable offences recorded across the Metropolitan Police Service (MPS) compared with **6.9%** (54,988) in 2021. Much of the crime that does occur in Westminster takes place in the **West End**. Just under 66% (50,462) of all crime in Westminster and 74% (43,715) of ‘public realm’ crime¹ occurs in just two wards: West End Ward and St James’s Ward. The concentration of licensed premises in the West End, alongside the high levels of crime suggests*

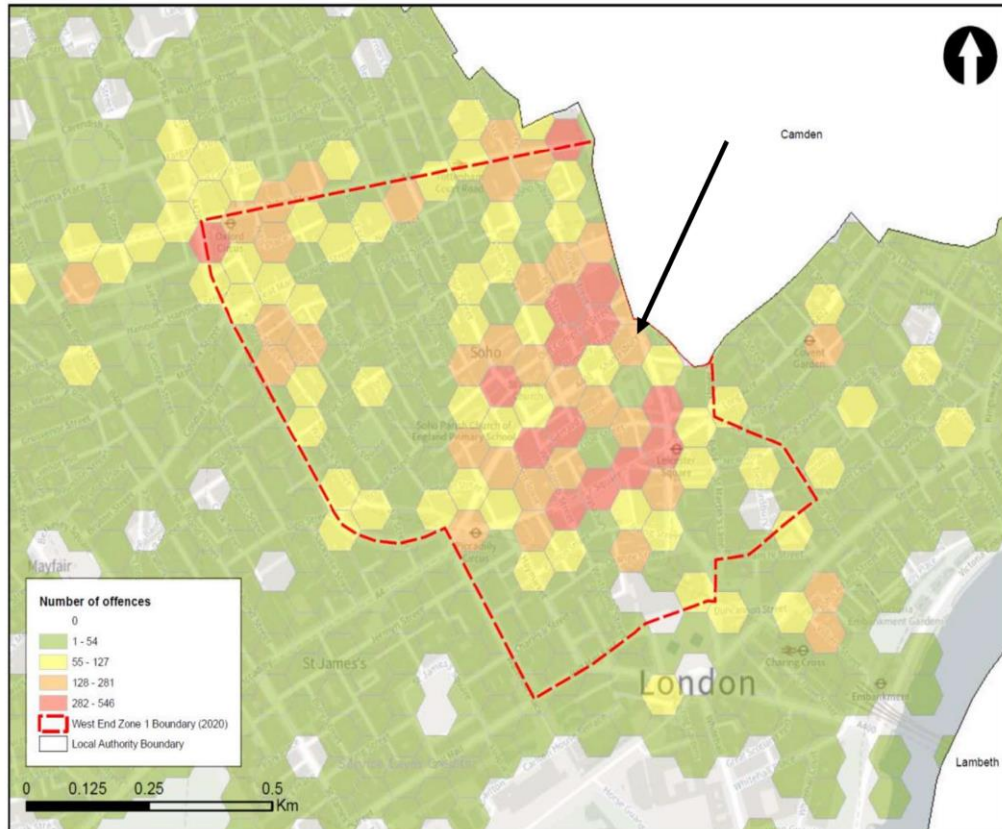

certain considerations will need to be made for this area". (Emphasis added).

Analysis of the overnight crime (theft, robbery, drugs, violence against the person and sexual offences) within the WECIZ can be seen in on page 58 of the CIA and is produced below:

Overnight crime (theft, robbery, drugs, VAP, sexual offences) (West End Zone 1) by hexagon

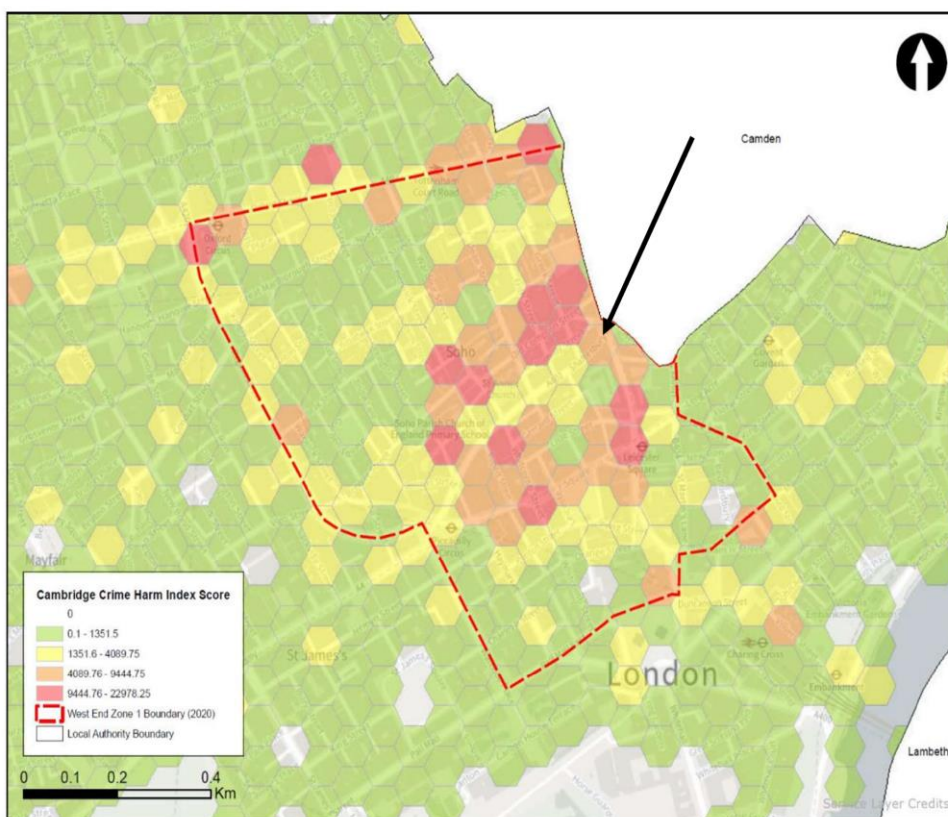

136 Shaftesbury Avenue is located within a orange hexagon (2nd highest crime levels) and borders a red hexagon (highest crime levels) located in the South Eastern part of Soho. The is also replicated via the Cambridge Crime Harm Index by hexagon table located at page 57 of the CIA and produced below.

Cambridge Crime Harm Index by hexagon (West End Zone 1)

This map combines each of the cumulative impact variables that are present within the West End Zone 1, weighting each based on the seriousness of harm.

The operation of the premises

The Police submit that the premises has a low level of reported crime. However, this itself should not be treated as an exception to policy as any crime related to its customers once they have left or before they arrive is not quantifiable but will still inevitably add to cumulative impact.

The premise have however come to the attention of Police Licensing previously. Officers conducted a visit at the premises on Friday 14th July 2023. Officers noted several breaches of the premises licence. These breaches included condition 12, which relates to substantial food being available and is the same condition which was omitted from the application and the CCTV condition which states:

**METROPOLITAN

Officers noted that the main bar area in the basement where the consumption of alcohol was taking place had no CCTV coverage whatsoever. This was pointed out to the operator and their representative as a breach during the visit in July 2023. During a site visit on the 23rd January 2024 in relation to the current application, I noticed that there was still no CCTV cameras in the basement bar area. It is disappointing that the operator failed to rectify this breach as it leaves their customers potentially vulnerable and hinders any police investigation into alleged crime at the premises.

The Police respectfully submit that this application is refused.

Yours sincerely,
