<b>Status:</b>	Valid	<b>In support or objection:</b>	OBJECTION
<b>Received:</b>	17 Jan 2024		
<p>I would object this the license after 12 midnight. This street already suffers from unacceptable levels of crime and out of control anti social behaviour and noise pollution. How can you warrant a 1am alcohol license when we have these issues going on in the local community. There is a school near by and lots of social and private housing in the near vicinity. We are already plagued everyday by issues from the late night license at the box nightclub.</p>			
<b>Name:</b>		[REDACTED] (Withdrawn 12 February 2024)	
<b>Address and/or Residents Association:</b>		Soho Society	
<b>Status:</b>	Valid	<b>In support or objection:</b>	OBJECTION
<b>Received:</b>	6 Feb 2024		
<p><b>Reference: 24/00187/LIPSL: 77, Brewer Street, W1F 9ZN</b> We submit this representation in response to a recent application from Wonderland Restaurants Limited, Park Row, 77, Brewer Street 24/00160/LIPVM which seeks to add a number of conditions to the existing licence: 1. There shall be no externally promoted DJ-lead events at the premises at any time 2. An incident log shall be kept at the premises, and made available on request to an authorised officer of the City Council or the Police. It must be completed within 24 hours of the incident and will record the following: a) all crimes reported to the venue b) all ejections of patrons c) any complaints received concerning crime and disorder d) any incidents of disorder e) all seizures of drugs or offensive weapons f) any faults in the CCTV system, searching equipment or scanning equipment g) any refusal of the sale of alcohol h) any visit by a relevant authority or emergency service. 3. In the event that a serious assault is committed on the premises (or appears to have been committed) the management will immediately ensure that: a) The police (and, where appropriate, the London Ambulance Service) are called without delay; b) All measures that are reasonably practicable are taken to apprehend any suspects pending the arrival of the police; c) The crime scene is preserved so as to enable a full forensic investigation to be carried out by the police; and d) Such other measures are taken (as appropriate) to fully protect the safety of all persons present on the premises. 4. Staff shall be trained on the responsible supply of alcohol, underage sales, safeguarding/ welfare and relevant provisions of the licensing regime. Records of training shall be maintained at the premises and made available to the police, licensing authority or authorised officer upon request. It is an unusual request to include these conditions and we can only assume this is in response to incidents at the premises. We do not consider the subsequent application from the Crown Estate for a shadow licence for the current licence 23/04136/LIPDPS as a coincidence. This is a late night restaurant and bar with live music, a capacity of 380 until 1.30am seven days a week. We are concerned with all licences that fall outside of the core hours policy and the impact on the licensing objectives and cumulative impact especially when you consider Soho has <b>491</b> licensed premises, 121 are late night licences with terminal hours between 1am - 6am and a capacity of over 22,827. The demand for licensed premises in Soho shows no tendency to reduce, from 2020 to November 2023 51 new alcohol licences have been granted with a capacity of over 4,245. The recently</p>			

approved Cumulative Impact Assessment 2023 confirms crime levels in Westminster have reached pre-COVID levels and since the last Cumulative Impact Assessment in 2020 crimes have concentrated even further in the West End, it states, '*West End Zone 1 is the epicentre for issues associated with cumulative impact within the borough.*' It is therefore unsurprising that residents are subjected to noise disturbance and anti-social behaviour that are beyond acceptable levels. They are disturbed by the late night activity as people walk by (often shouting, or arguing), noise from pedicabs, car doors slamming, horns hooting, people vomiting and urinating in the street and in their doorways. Residents are also often disturbed even if an establishment is not located directly on their street, as customers (often noisy and intoxicated) leave premises and either carry on their night out in Soho or make their way home. We know many residents experience sleep disturbance, the Soho Society conducted a survey which confirms that residents are disturbed by noise at night, and say that this is having a negative impact on their lives. 87 people responded of which 78 are Soho residents with ages spread fairly evenly from 22 to 80, 59% of whom have lived in Soho for more than ten years. When asked about disturbed sleep, 24% of respondents say they have their sleep disturbed seven nights a week, 16% five or six nights a week, and 19% three or four nights a week. Furthermore, 64% of respondents agreed that noise nuisance from increased commercial activity at night is the most serious problem impacting Soho residents' quality of life. 62% of respondents agreed that the council should not grant any extensions of hours for premises in Soho. 60% of respondents agreed that noise nuisance and sleep deprivation is 'adversely impacting my health' and the health of the people they live with. 46% of respondents agreed that noise nuisance is so bad that they have considered moving away from Soho. We will be willing to withdraw this representation if the applicant agrees to accept Model Condition 97 in **FULL**. '*The shadow licence will not take effect when the current licence is in operation, or lapses, is surrendered or revoked.*'

**The Soho Society withdrew their representation on the 12<sup>th</sup> February 2024 after the applicant agreed the full model condition 97. This can be found at Appendix 6.**

### 3. Policy & Guidance

The following policies within the City Of Westminster Statement of Licensing Policy apply:

<p><b>Policy CIP1 applies</b></p>	<p>A. It is the Licensing Authority's policy to refuse applications within the West End Cumulative Impact Zone for: pubs and bars, fast food premises, and music and dancing and similar entertainment, other than applications to:</p> <ol style="list-style-type: none"> <li>1. Vary the hours within Core Hours under Policy HRS1, and/or</li> <li>2. Vary the licence to reduce the overall capacity of the premises.</li> </ol> <p>C. Applications for other premises types within the West End Cumulative Impact Zones will be subject to other policies within this statement and must demonstrate that they will not add to cumulative impact.</p> <p>D. For the purposes of this policy the premises types referred to in Clause A are defined within the relevant premises use policies within this statement.</p>
<p><b>Policy HRS1 applies</b></p>	<p>A. Applications within the core hours set out below in this policy will generally be granted for the relevant premises uses, subject to not being contrary to other policies in the Statement of Licensing Policy.</p> <p>B. Applications for hours outside the core hours set out in Clause C will be considered on their merits, subject to other relevant policies, and with particular regard to the following:</p> <ol style="list-style-type: none"> <li>1. The demonstration of compliance in the requirements of policies CD1, PS1, PN1 and CH1 associated with the likelihood of the effect of the grant of a licence for later or earlier hours on crime and disorder, public safety, public nuisance and the protection of children from harm.</li> </ol>

2. If the application is located within a Special Consideration Zone they have demonstrated that they have taken account of the issues identified in that area and provided adequate mitigation.
3. Whether there is residential accommodation in the proximity of the premises that would likely be adversely affected by premises being open or carrying out operations at the hours proposed.
4. The proposed hours of the licensable activities and when customers will be permitted to remain on the premises.
5. The proposed hours when any music, including incidental music, will be played.
6. The hours when customers will be allowed to take food or drink outside the premises or be within open areas which form part of the premises.
7. The existing hours of licensable activities and the past operation of the premises (if any) and hours of licensable premises in the vicinity.
8. Whether customers and staff have adequate access to public transport when arriving at and leaving the premises, especially at night.
9. The capacity of the premises.
10. The type of use, recognising that some venues are more likely to impact the licensing objectives than others; for example, pubs and bars are higher risk than theatres, cinemas and other cultural and sporting venues due to the nature of the operation.
11. The Licensing Authority will take into account the active measures proposed for a 'winding down' period including arrangements for people to be collected from the premises to travel home safely.
12. Conditions on hours may be attached that require that the supply of alcohol for consumption on the premises ceases a suitable period of time before customers are required to leave the premises.
13. The council, acting as the Licensing Authority, may reduce hours if, after review, it is necessary to impose conditions specifying shorter hours in order to promote the licensing objectives.
14. Specific days for non-standard hours should be identified and justified as part of the application to allow responsible authorities and interested parties to evaluate the impact that these licensable activities may have, and to plan accordingly. The consideration of applications for later hours for Bank Holiday Mondays will take into account that later hours are generally granted for preceding Sundays and that the next day is a working day. Non-specific days are expected to be covered by Temporary Event Notices or variation applications.

C. For the purpose of Clauses A and B above, the Core Hours for applications for each premises use type as defined within this policy are:

**8. Restaurants**

Monday to Thursday: 9am to 11.30pm.

Friday and Saturday: 9am to 12am.

Sunday: 9am to 10.30pm.

Sundays immediately prior to a bank holiday: 9am to 12am.

D. Core hours are when customers are permitted to be on the premises and therefore the maximum opening hours permitted will be to the same start and terminal hours for each of the days where

	<p>licensable activity is permitted.</p> <p>E. For the purposes of this policy, 'premises uses' are defined within the relevant premises use policies within this statement.</p>
<p><b>Policy RNT1 applies</b></p>	<p>A. Applications outside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> <li>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.</li> <li>2. The hours for licensable activities being within the council's Core Hours Policy HRS1.</li> <li>3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.</li> <li>4. The applicant has taken account of the Special Consideration Zones</li> </ol> <p>Policy SCZ1 if the premises are located within a designated zone.</p> <ol style="list-style-type: none"> <li>5. The application and operation of the venue meeting the definition of a restaurant as per Clause C.</li> </ol> <p>B. Applications inside the West End Cumulative Impact Zone will generally be granted subject to:</p> <ol style="list-style-type: none"> <li>1. The application meeting the requirements of policies CD1, PS1, PN1 and CH1.</li> <li>2. The hours for licensable activities are within the council's Core Hours Policy HRS1.</li> <li>3. The operation of any delivery services for alcohol and/or latenight refreshment meeting the council's Ancillary Delivery of Alcohol and/or Late-Night Refreshment Policy DEL1.</li> <li>4. The applicant has demonstrated that they will not add to cumulative impact within the Cumulative Impact Zone.</li> <li>5. The application and operation of the venue meeting the definition of a restaurant as per Clause C.</li> </ol> <p>C. For the purposes of this policy a restaurant is defined as:</p> <ol style="list-style-type: none"> <li>1. Which do not provide any takeaway service of food and/or drink for immediate consumption, except if provided via an ancillary delivery service to customers at their residential or workplace address.</li> <li>4. Where alcohol shall not be sold, supplied, or consumed on the premises otherwise than to persons who are bona fide taking substantial table meals and provided always that the consumption of alcohol by such persons is ancillary to taking such meals.</li> <li>5. The sale and consumption of alcohol prior to such meals may be in a bar area but must also be ancillary to the taking of such meal.</li> </ol>

Dear [REDACTED]

Thank you for your representation. To clarify, the applicant has applied for a "shadow licence" on behalf of the landlord of the premises.

The term "shadow licence" describes the situation where a premises licence is granted to one party in respect of a premises where another party already holds a separate licence. A common situation in which a shadow licence may be applied for is when a landlord's licensed premises is operated by a tenant and the licence is held in the name of the tenant. In these circumstances there are several ways in which the tenant's actions could have a negative impact on the licence, for example they might become insolvent or bankrupt or the licence might be reviewed due to poor management of the premise. A landlord may wish to protect the licence against the risk posed by potentially insolvent or irresponsible tenants.

The applicant has applied for a licence in the same terms as the existing premises licence. It is not intended that the premises will trade under the licence and it will be

retained by the landlord.

The applicant has also agreed the below model condition so the licence will remain as a shadow licence until the current licence is either surrendered, or the licence holder has gone into liquidation etc.

*MC97 The shadow licence will not take effect when the current licence is in operation, or it lapses, is surrendered or revoked.*

I hope that this is of assistance. As the application is for a shadow licence, I was wondering if you may consider withdrawing your representation?

Many Thanks
